**Summary Text:**

The South Coast Gang Task Force has been established to help coordinate the various initiatives on the South Coast that address the issue of youth gang violence. As reflected in the attached diagram, the Leadership Council will consist of elected officials and community leaders and serve to provide oversight and leadership to the Task Force. The Council will: (1) represent a South Coast regional commitment to a five year pilot program to end youth gangs and violence; (2) commit to support the efforts and secure resources to accomplish the mission; (3) call for performance measures to evaluate and continue program funding; (4) focus on ending youth gangs and violence and (5) meet jointly with the Executive Council three times a year to receive reports on program progress and accomplishments.

**Background:**
