Recommended Actions:

That the Board of Supervisors:

- A. Approve, ratify and authorize the Chair to execute the First Amendment to Board Contract #BC19071. The amendment increases the contract amount by \$50,000 for the remainder of the current fiscal year and another \$50,000 for the contract year beginning July 1, 2019, which increases the total contract value by \$100,000 for a total contract value of \$550,000.; and
- B. Determine that the County's economic interests are served by such a contract, pursuant to Government Code Section 31000.4, by meeting immediate administrative staffing needs that arise suddenly and cannot be met through the County's extra help hiring process; and
- C. Determine pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) that the above action is a government fiscal activity which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and therefore is not a project subject to environmental review.

Summary Text:

On July 17, 2018, your Board approved a contract with Crossroads Staffing for Temporary Personnel Services. On March 19, 2019, your Board extended that contract through June 30, 2020 and increased the total contract value. Countywide usage of this contract has continued to be higher than originally anticipated, which requires this amendment to increase the contract value by \$50,000 for the remainder of the current fiscal year and an additional \$50,000 for the contract year beginning July 1, 2019, for a total contract amount of \$550,000. This amendment leaves all other terms and conditions unchanged. The contract provides a not to exceed amount and does not commit the County to any minimum level of spending.

Background:

County departments utilize temporary employment services to fill short term, often unanticipated or emergency staffing needs such as filling behind an employee with a sudden illness or meeting the needs of a peak workload. California Government Code Section 31000.4 authorizes the use of temporary employees to a period of no more than 90 days.

The County is under no obligation to purchase any minimum level of temporary services. Departments' use of temporary services is paid for through their current budget allocations. The current contract value is \$225,000 with year-to-date expenditures of \$224,700. This amendment increases the contract amount by \$50,000 for the remainder of the current fiscal year and another \$50,000 for the contract year beginning July 1, 2019, which increases the total contract value by \$100,000 for a total contract value of \$550,000

Key Contract Risks:

Risk to the County is limited. As the employer of record Crossroads is required to carry General Liability, Workers' Compensation, and Unemployment Insurance for the temporary workers.
