CONTRACTOR at its own expense shall defend, indemnify, and hold harmless COUNTY against any claim that any Copyrightable Works or Inventions or other items provided by CONTRACTOR hereunder infringe upon intellectual or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by COUNTY in connection with any such claims. EXHIBIT A

Statement of Work

- I. CONTRACTOR shall provide preventive diversion services to eligible youth as referred by schools, law enforcement agencies, and COUNTY for specified offenses, as the provider for the Youth Reinvestment Grant (YRG). The YRG provides funds for diversion services to low-level and low risk youthful offenders at the point of their initial contact with law enforcement in order to reduce the number of youth who enter the juvenile justice system. The grant supports approaches that are evidence based, culturally relevant, trauma informed, and developmentally appropriate.
 - a. Description of Component:
 1. CONTRACTOR shall provide preventive services to an estimated 800 youth referred by schools and law enforcement agencies, including the Probation Department located in Santa Barbara County, over the term of the agreement. Preventive services are to successfully divert youth from becoming involved in the juvenile justice system for certain offenses that might have otherwise resulted in a formal referral for the filing of a petition to make a youth a ward of the juvenile court. These include status offenses, infractions, and certain misdemeanors, as well as violations of the Education Code in lieu of suspension or expulsion. CONTRACTOR shall not accept referrals for felony offenses.
 2. COUNTY and CONTRACTOR shall mutually develop and maintain a list of misdemeanor offenses eligible for services and CONTRACTOR shall not accept referrals for misdemeanors not listed. Offenses may be added to the list by COUNTY written notice and received written concurrence from CONTRACTOR. CONTRACTOR shall provide concurrence or non-concurrence within five (5) business days of COUNTY's request. No response to the request shall be construed as CONTRACTOR'S concurrence.
 3. CONTRACTOR shall provide services to eligible youth, aged 10 to 17 inclusive, residing in Santa Barbara County. CONTRACTOR may operate the program from locations in the Santa Barbara, Santa Maria, and Lompoc geographic regions, but will provide services in all areas of the County, paying special attention to the need for services in areas where the referral rate may be lower, such as the Mid-County. Referrals to CONTRACTOR by COUNTY are considered closed by COUNTY at the time of referral. CONTRACTOR shall make every effort to engage youth and encourage participation in services in order to achieve successful outcomes. CONTRACTOR will not return referrals to COUNTY when youth do not engage in services unless explicitly instructed to do so by COUNTY at the time of the initial referral.
 4. Diversion services provided by CONTRACTOR shall include an initial screening and comprehensive assessment of the youth, case management, and individualized treatment plans that include a youth's family members. The goals of the program are to reduce the overall number of misdemeanor offenses committed by youth, the recidivism rate of participating youth, and the number of risk factors for a youth and a family, including substance use disorder, mental health problems, family needs, and education disciplinary referrals. Program goals include the development of and improvement in youth and family protective factors, including school connectedness, social supports, self-esteem, problem-solving skills, and family involvement and support. Duration of diversion services shall be six months or less per youth. Services provided shall be culturally relevant, trauma-informed, and evidence-based, as well as gender-responsive.

5. Services provided after initial screening will be determined on an individual basis and will be limited to those services which are assessed to be necessary. They may include: R&R2 Short Version for Youth; Moral Reconciliation Therapy (MRT); Aggression Replacement Training (ART); Substance Abuse Treatment; Seven Challenges (for treatment plan); Seeking Safety (Adolescent Version); Cognitive Behavioral Therapy (CBT); Motivational Interviewing techniques; Multi-Dimensional Family Therapy (MDFT); mental health counseling services; Young Women's Leadership Group (includes La Mariposa); Young Men's Leadership Group (includes El Joven Nobles); Restorative Practices; Educational Classes (90 minute sessions on crime awareness, conflict resolution, alcohol and drug education, nicotine and vaping, life choices, peer relationships); and Academic Support Services (tutoring, mentoring, community-based after school programs).
 - A. Youth referred by COUNTY to CONTRACTOR for services under this agreement shall not be mixed with youth receiving the same or similar services under other existing agreements with COUNTY. Further, services shall not be peer-based in nature.
6. Services will reduce the over-representation of minority youth in the juvenile justice system through services that are culturally responsive and relevant, and delivered by bicultural and bilingual employees of CONTRACTOR. Efforts in this respect are to be consistent with Racial and Ethnic Equity and Inclusion (REEI) principles and practices, and should anticipate addressing disparities largely involving African-American and Latino/a youth. Further information on REEI can be accessed here:
<https://www.aecf.org/resources/race-equity-and-inclusion-action-guide/>
7. CONTRACTOR shall provide services through its existing resources and/or resources acquired through the YRG for the purpose of carrying out the requirements of this Statement of Work. Services may be provided by other entities under this agreement when necessary to meet a youth's treatment needs and referred to them by CONTRACTOR. The cost associated with any such referral shall be borne by CONTRACTOR within the scope of the YRG and this Agreement. Referred youth and their families shall not be charged a fee by any provider at any time for any services delivered under this Agreement.
8. CONTRACTOR shall collaborate with COUNTY, the YRG program evaluator as chosen by COUNTY, and the Board of State and Community Corrections (BSCC) to achieve program goals and objectives, including adhering to and complying with any data reporting, collection methodology and submission requirements of COUNTY and the BSCC. This includes maintaining statistical information and required records of referral and services provided, supporting related research activities, providing information in a timely manner to COUNTY, and coordinating activities with a grant program evaluator identified by COUNTY. CONTRACTOR agrees to be available to respond to any inquiries by the BSCC, either in person or in writing, as needed.
9. CONTRACTOR shall collaborate with COUNTY on design and implementation of program, including development of fliers and other educational material, attendance at educational meetings or law enforcement briefings, and other meetings to introduce the program, the implementation of the referral format and processes for services.,

10. CONTRACTOR shall not search any youth or property of youth, and shall not chemically test a youth for the presence of drugs or alcohol as part of services provided through this grant or with testing supplies purchased through this grant. Voluntary testing may be provided as part of drug and alcohol treatment services.

b. Unit of Service per Client Defined and Frequency of Contact:

CONTRACTOR will provide services according to treatment plans and within the total overall budget for the entire grant as detailed in the original grant proposal and described in Section B-1.

c. Budgeted Service Level:

CONTRACTOR shall provide services to an estimated 800 youth over the grant period, serving on average 15-25 youth per month. Services provided to individual youth shall be from four (4) to six (6) months duration, but shall not exceed six (6) months in duration. Exceptions to this timeframe may be considered on a case by case basis by COUNTY when requested by CONTRACTOR.

The overall budget for the grant is \$894,593. Total expenditures shall not exceed \$894,593. The overall budget by each year of the grant is as follows:

Year 1 (July 1, 2019 to June 30, 2020):	\$245,088
Year 2 (July 1, 2020 to June 30, 2021):	\$243,513

EXHIBIT C

Indemnification and Insurance Requirements (For Professional Contracts)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

4. **Professional Liability** (Errors and Omissions) Insurance appropriate to the CONTRACTOR'S profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR'S insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The

CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
