Subject: Please Consider

Please deny Mr James Mosby's request for rezoning and for a permit for his recreational facility. Please do not allow the facility to continue its operation. This is nothing more than a money making scheme in the disguise of recreational opportunities.

At the heart of my request is the sad condition that Mr Mosby's properties are in now. They are reminiscent of what you'd see in a blighted area run by a Slum Lord. How can he be trusted to operate a first rate facility when what he has now is such an eye sore. This affects all our property values.

Please drive out to this area and see for yourself what an embarrasment this is as a welcome to the City of Lompoc and to this part of the County of Santa Barbara County.

I've attached a few pictures.

Thank you for taking the time to read.
