**SUBJECT:** Public Health and Probation Departments IMQ (Institute for Medical Quality) Accreditation & Special Recognition Award

---

**Recommendation(s):**

That the Board of Supervisors:

Review and accept the attached certification from the IMQ (Institute for Medical Quality, a subsidiary of the California Medical Association) certifying that the Public Health Department and the Probation Department's Juvenile Institutions have received the 2-year accreditation with "Special Recognition".

**Alignment with Board Strategic Plan:**

The recommendation is primarily aligned with County Goal No. 2 Community Health and Safety, A Safe and Healthy Community in Which to Live, Work, and Visit; and County Goal No. 7 Families and Children, A Community that Fosters the Safety and Well-Being of Families and Children.

**Executive Summary and Discussion:**

The Probation and the Public Health Departments are proud to report to your Board that the medical care provided to minors in custody has met the IMQ Standards for Accreditation and has done so with "Special Recognition".

The Probation Department has continued to participate in the IMQ (Institute for Medical Quality) survey every 2 years as a means to assure the public, wards, and the staff of its commitment to providing quality medical services in the Santa Barbara Juvenile Hall, Santa Maria Juvenile Hall, Los Prietos Boys' Camp, and the Tri Counties Boot Camp. Initial accreditation occurred more than 10 years ago. Through a

Memorandum of Understanding, the Public Health Department provides the medical services and coordinates the survey with its medical staff, Probation staff and the IMQ.

Since 1979, the California Medical Association (CMA) has certified medical services within detention facilities. This program consists of on-site reviews of medical programs in juvenile halls, juvenile camps, jails and prisons throughout the United States.

The IMQ Medical Accreditation Standards are designed to meet the needs of this unique setting. They address administration, personnel, care and treatment, medical records and medical/legal issues. Facilities that enroll in the accreditation program undergo an extensive review of their policies and procedures, medical records, and interviews with health care providers, custody staff, and wards by trained surveyors. IMQ awards accreditation based upon compliance with the standards per written policy and actual practice. The survey process offers an independent review of the health care services delivered in our juvenile facilities.

The following juvenile institutions were surveyed and evaluated:

- Santa Barbara Juvenile Hall
- Santa Maria Juvenile Hall
- Los Prietos Boys' Camp
- Tri Counties Boot Camp

**Mandates and Service Levels:**

While medical care for wards is mandated, accreditation is a discretionary program which maintains or improves medical service levels. The Probation Department is governed by numerous statutory mandates, which are attached for your review.

**Fiscal and Facilities Impacts:**

It is estimated that the IMQ accreditation process costs \$3,500.

**Special Instructions:**

None

**Concurrence:**

Roger Heroux, Director  
Public Health Department
