

General Public Comment - Douglas

The SB Community Youth Corridor- Where Our Children come to Learn & Play!

Hollister between Modoc and Turnpike

The SB Community Youth Corridor is a well-established corridor that has been developing for our children since the 1970's. The corridor is where the entire Santa Barbara community's children come to learn and play. **Thousands** of our children are in the corridor **each day**, going to schools & preschools, playing after school sports at the Page Youth Center, Goleta Little League fields, riding their horses and going to gymnastics. It is a small area, about a mile long, that is devoted to giving our children different experiences to enhance & encourage good choices. ***It is the Santa Barbara Community Youth Corridor.***

Public Schools – 3,306 Students

Vieja Valley Elementary School – 304 Students

434 Nogal Drive – .27 Miles Close
