WHEREAS, on July 1, 2019, California Emergency Medical Services Agency (CA EMSA) amended the regulations and augmented the requirements for the Stroke System of Care, including but not limited to, the requirement of LEMSA to submit a Stroke System of Care Plan and establishment of written agreements between COUNTY and all designated Acute Stroke Centers pursuant to Health and Safety Code section 1798.150 and Title 22, CCR section 100156.01; and
