## Interests & Experiences

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

I am interested in serving on this Committee because I believe public art and cultural policy are essential to community connection, equity, and civic identity. The Committee's mission of bringing together government, artists, and the public closely aligns with my professional practice, which emphasizes collaboration, stewardship of creative resources, and public impact. I bring over 15 years of experience in arts education and arts practice, spanning fine arts to entertainment production topics, project management, budgeting, leadership, and program development. As a community member, I have volunteered or worked with various local organizations, including SBIFF, Summer Solstice Parade, Isla Vista Parks & Recreation, Center Stage, Ensemble Theatre, Arts for Humanity, Drama Dogs, Habitat for Humanity, the Santa Barbara Natural History Museum, UCSB, and others. These experiences have given me a deep appreciation for the work of this Committee. I hope to contribute thoughtful, informed perspectives in support of accessible and impactful arts programs.
