Re: DignityMoves La Posada Project; Item D-8 on 5/16/2023 Board Hearing

Dear Chair Williams and Members of the Board of Supervisors:

On behalf of the Leadership Team and the Housing Committee for the League of Women Voters of Santa Barbara (LWVSB), we thank you for this opportunity to provide comments on the DignityMoves La Posada Tiny Homes project. The League has consistently supported affordable housing in the South County, especially on county-owned sites.

We continue to believe that the county should focus on the building and preserving affordable housing, which this project will achieve. Further, this project is a necessary step in providing permanent affordable housing for our unhoused residents who are some of the most vulnerable members of our community.

The existing DignityMoves Project in the City of Santa Barbara has proven to be a successful one, seamlessly responding to an urgent community need in a respectful and harmonious manner with the existing community.

We recommend the Board execute the lease, which will allow this important and much-needed project to move forward.

Thank you for considering our comments.

Respectfully yours,
