RE: Board of Supervisors Hearing of April 3, 2012 – Request to Continue Item A-11

---

Planning and Development requests that your Board continue item A-11 one week to the Board's scheduled meeting of April 10, 2012. This item pertains to an application from the Outpost Trading Boutique in Santa Ynez for a Type-42 On-Sale Wine license from California Department of Alcohol Beverage Control (ABC). The applicant is requesting a determination from the Board of Supervisors that a new wine-tasting room in Santa Ynez would serve the public convenience and necessity. The Board has 90 days to make such determination or it defaults to the ABC for such determination; the Board has until April 11, 2012 to make such determination. The continuance will allow one additional week to complete public outreach on the determination.
