RE: Park Hills Estates v2 project, Case Number 10TRM-00000-00001

Dear Supervisors:

The Neighborhood Defense League Board of Directors agrees with Planning and Development Director, Glenn Russell, Ph.D, that the April 17 hearing deny the appeal requested scheduled for May 1.

1. The Board of Supervisors should uphold the County Planning Commission Action
2. It should direct staff to prepare a focused EIR on biological resources and fire protection, as directed by the Commission.

Sincerely,

Judith Ishkanian, President
for the Board of Directors
Neighborhood Defense League of California
