Re: Santa Maria-Bonita School District  
November 5, 2024 General Obligation Bond Election

Dear Ms. Alexander:

In connection with the successful bond election held in the Santa Maria-Bonita School District (the "District") on November 5, 2024, Education Code Section 15274 requires as follows:

*"If it appears from the certificate of election results that 55 percent of the votes cast on the proposition of issuing bonds pursuant to subdivision (b) of Section 18 of Article XVI of the California Constitution are in favor of issuing bonds, the governing board shall cause an entry of that fact to be made upon its minutes. The governing board shall then certify to the board of supervisors of the county whose superintendent of schools has jurisdiction over the district, all proceedings had in the premises. The county superintendent of schools shall send a copy of the certificate of election results to the board of supervisors of the county."*

Accordingly, we are transmitting to you, on behalf of the District, the enclosed copies of (i) the certification of election results for the above-referenced school bond election held on November 5, 2024, prepared by the Clerk and Registrar of Voters of the County of Santa Barbara (the "County"), and (ii) the resolution of the Board of Education of the District declaring the election results and certifying the proceedings of such school bond election.

Copies of such election results and resolution are also being transmitted to the Santa Barbara County Office of Education.

If you have any questions, please contact Don Field at (949) 852-7727 or me at (213) 612-2131.

Very truly yours,

Laura Gao

[See attached]

**Santa Maria-Bonita School District  
General Obligation Bonds**

**Citizens' Oversight Committee  
Bylaws**

**I. Establishment**

The Board of Education (the "Board") of the Santa Maria-Bonita School District (the "District") is required to appoint members to an independent citizens' oversight committee (the "Committee") as a result of the passage of any voter-approved bond measure conducted pursuant to paragraph (3) of subsection (b) of Section 1 of Article XIII A of the Constitution of the State of California (added pursuant to Proposition 39 in November 2000), in accordance with the Strict Accountability in Local School Construction Bonds Act of 2000, Section 15264 *et. seq.* of the California Education Code. *Educ. Code §15278(a)*. The District intends that the Committee serve as the independent citizens' oversight committee for all current and future voter-approved bond measures conducted pursuant to paragraph (3) of subsection (b) of Section 1 of Article XIII A of the Constitution of the State of California (added pursuant to Proposition 39 in November 2000).

**II. Purpose**

A. Statutory Purposes. The Committee is charged by statute with the following purposes:

1. To promptly alert the public to any waste or improper expenditure of school construction bond money. *Educ. Code §15264(c)*.
2. To inform the public concerning the expenditure of bond revenues. *Educ. Code §15278(b)*.
3. Ensuring that bond revenues are expended only for the purposes described in the Constitution; that is, for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities. *Calif. Const. art. XIII A, §1(b)(3); Educ. Code §15278(b)(1)*.
4. Ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses. *Calif. Const. art. XIII A, §1(b)(3)(A); Educ. Code §15278(b)(2)*.

B. Role of Committee vis-à-vis Board.

1. As the legally elected representative of the voters, the Board, on the advice of the Superintendent, must make all decisions relating to how bond funds are spent, how bond projects are configured, the cost, priority and timeline for completion of the various bond projects, and all other matters necessary in connection with the District's building program.
2. The Board has no authority to delegate these decisions to any other body, including a citizens' oversight committee.
3. The basic role of the Committee is to review Board actions in spending bond funds, and report the findings with respect to such actions to the public.

### III. Members

- A. Minimum Size. The Committee shall always be comprised of at least 7 members. *Educ. Code §15282(a).*
- B. Required Members. Pursuant to statute, the Board shall appoint to the Committee the following members: *Educ. Code §15282(a).*
  - 1. One member active in a business organization representing the business community located within the District.
  - 2. One member active in a senior citizens' organization.
  - 3. One member active in a bona fide taxpayers' organization.
  - 4. One member who is the parent or guardian of a child enrolled in the District.
  - 5. One member who is the parent or guardian of a child enrolled in the District and who is active in a parent-teacher organization, such as the PTA or school site council.
  - 6. Two other members, selected from the public at large.
- C. Board Procedures for Appointment of Committee.
  - 1. Appointment.
    - a. Persons interested in serving as members of the Committee shall submit a written application to the Superintendent, specifying such information as the Superintendent shall reasonably require. Such information shall include, at a minimum:
      - (i) the specific position or positions listed in Section III.B, above, for which the applicant qualifies
      - (ii) such information as may be necessary to verify that the applicant meets that qualification requirement.
    - b. The Superintendent shall recommend from among the qualifying applications a list of names to the Board for appointment to the committee, specifying how the requirements of Section III.B are met, or as many of those requirements as possible given the applications submitted.
    - c. The slate of names shall be approved or rejected as a whole by a majority vote of the Board. If rejected, the Board shall direct the Superintendent to prepare a new slate of names for approval, including a new application procedure if appropriate.
  - 2. Failure to Appoint.
    - a. Willful failure to appoint the Committee is grounds for legal action by any taxpayer against the Board. *Educ. Code §15284(a)(4).*
    - b. The Board will make a good faith effort to appoint the Committee and fill vacancies to ensure that the Committee is fully constituted and functioning. No vacancy, at initial appointment or otherwise, will prevent the Committee from meeting and conducting its business.
    - c. In the event that the Superintendent does not receive acceptable applications from the public to fill all of the positions specified in Section III.B, above, or if at any time there is a vacant position on the Committee, the Superintendent shall cause a notice of the vacancy to be posted in a conspicuous public place (e.g., where

regular public notices of the Board are posted), specifying the eligibility requirement for the vacant position and that a written application must be submitted to the Superintendent, and such notice shall remain posted until the vacancy is filled. The Superintendent, in his discretion, may advertise the vacant position in a newspaper reasonably expected to be circulated among interested persons, and may contact organizations to request nomination of interested persons to fill the positions that require active membership in such organization.

D. Additional Eligibility Restrictions. The following persons are not eligible to serve on the Committee: *Educ. Code §15282(b)*.

1. Any employee of the District.
2. Any official of the District.

For purposes of this limitation, the Board finds that any elected or appointed member of the Board is an “official of the district” within the meaning of Section 15282(b). The Board finds that no member of any other citizen committee of the District appointed by the Board to serve without pay is an “official of the district” within the meaning of Section 15282(b).

3. Any vendor, contractor or consultant of the District.

The Board finds that no person is a vendor, contractor or consultant of the District prohibited from serving on the Committee within the meaning of Section 15282(b) unless such person, or any company of which such person is an owner or part owner, agrees or has agreed to perform services or furnish goods or supplies to the District under any agreement or contract that has not been fully performed. Prior contractual relationships with the District do not disqualify a person from serving on the Committee.

E. Term.

1. Each of the members specified by statute is appointed for a term of two years. *Educ. Code §15282(a)*.
2. No member shall be appointed to more than three consecutive two-year terms. *Educ. Code §15282(a)*.

The Board hereby further establishes the following provisions on the terms of members:

3. Notwithstanding the two-year term required by statute, the term of any member shall terminate upon:
  - a. death of the member
  - b. written resignation of the member
  - c. disability or illness of the member, upon a finding by the Board that the member is unable to effectively continue to serve on the Committee
  - d. for any member appointed to meet any of the criteria of categories 1 – 5 described in Section III.B, above, the member no longer fulfills the requirement of the position to which appointed.
  - e. the sale or provision of any goods or services to the District, or entry into any contract with the District for such sale or provision, whether or not related to the bond program, such that the member becomes a

“vendor, contractor, or consultant” within the meaning of Section III.D.3, above

- f. the employment, appointment or election of such member to a position with the District, such that the member becomes an “employee of the District” or an “official of the District” within the meaning of Section III.D.1 or 2, respectively
- g. failure of the member to participate in the meetings and activities of the Committee, upon a finding by the Board that the member is unable or unlikely to effectively continue to serve on the Committee.

The Board requests that Committee members keep the Board informed regarding the status of other members, so that the Board can take appropriate action to replace or reappoint Committee members in a timely manner.

- 4. The term of any member appointed to succeed a member whose term has been terminated pursuant to Section III.E.5 shall be two years, or such lesser time as remains in the term of the departing member, as the Board shall determine.

F. Compensation. Members serve without compensation. *Educ. Code §15282(a)*.

#### IV. Duties

To carry out its stated purposes, the Committee shall perform the following duties:

These audits shall be conducted in accordance with the

Government Auditing Standards issued by the Comptroller General of the United States for financial and performance audits.
