Amended: April 9, 2019, August 27, 2019, December 17, 2019, February 2, 2021, November 2, 2021, March 1, 2022, November 29, 2022, July 18, 2023, April 1, 2025, June 10, 2025, and August 26, 2025

SECTION 4. Except as amended by this Ordinance the Santa Barbara County Code shall remain unchanged and shall continue in full force and effect.

SECTION 5. If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. The Board of Supervisors hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 6. This Ordinance shall take effect and become operative 30 days from the date of its adoption by the Board of Supervisors. Before the expiration of 15 days after its passage a summary of it shall be published once together with the names of the members of the Board of Supervisors voting for and against the same in the Santa Barbara Independent and in the Santa Maria Times, newspapers of general circulation published in the County of Santa Barbara.

SECTION 7. Cannabis activities already are highly regulated by both the state and federal governments, and their regulation of cannabis activities is subject to rapid changes. Even if the Board of Supervisors adopts this Ordinance, the Board of Supervisors retains all of its statutory authority concerning cannabis activities. For example, even if the Ordinance becomes operative, the Board of Supervisors still may take action(s) later to change the zoning and/or licensing of cannabis activities to being prohibited. Changing the zoning and/or licensing of cannabis activities to being prohibited, could occur -- for example, but is not limited to -- if: 1) the County Treasurer is not able to deposit cannabis-related funds in a suitable financial institution; and/or 2) the Board of Supervisors submits a proposed County tax on commercial cannabis activity to the voters and the voters do not approve the tax. In part because cannabis activities are highly regulated by both the state and federal governments and their regulation of cannabis activities is subject to rapid changes, the Board of Supervisors later may need to change the zoning and/or licensing of cannabis activities to being prohibited and may need to do so without cannabis activities receiving: 1) an amortization period; and/or 2) legal nonconforming use status.
