**SUBJECT:** Approval of Santa Maria Juvenile Hall Construction Grant Contract Number (013-99)

---

## **Recommendation(s):**

That the Board of Supervisors:

- A. Approve and sign the four attached copies of the Board of Corrections Santa Maria Juvenile Hall Expansion Construction Grant Contract (013-99) in the amount of \$8,040,000.

## **Alignment with Board Strategic Plan:**

The recommendation is primarily aligned with Goal No. 2. Ensure the Public Health and Safety and Provide Essential Infrastructure.

## **Executive Summary and Discussion:**

The board signed a resolution on March 9, 1999 in support of Santa Barbara County's participation in the California Board of Corrections (BOC) Juvenile and Adult Local Detention Facility Construction grants. This was part of the process by which the Probation Department applied for \$18,000,000 to build a new SM Juvenile Hall, but Santa Barbara County's request for funding was not granted. However, shortly thereafter Federal Violent Offender and Truth in Sentencing revenue was offered to fund projects on a per bed added basis (\$100,500 per bed cap). On October 6, 1999 the California BOC, using our initial \$18M application, awarded Santa Barbara County \$8,040,000 for the addition of 90 beds to the existing Santa Maria Juvenile Hall. This is the contract the Probation Department is now requesting your Board to authorize. Until this point there has not been a BOC agreement signed as the BOC was waiting for the Probation Department to complete a number of pre-contractual requirements. All of the pre-contractual requirements have now been met, and we are ready to proceed with signing the contract.

Performances measures for the Santa Maria Juvenile Hall include:

To protect the public and to ensure the safe and secure detention of minors: Provide no more than 100% of 18,250 annual bed days at Santa Maria Juvenile Hall.

To promote responsible juvenile offender behavior: Maintain a compliance rate of 85% on an average of 120 minors on Home Supervision in lieu of detention in Santa Maria Hall.

### **Mandates and Service Levels:**

The addition of 90 beds at the Santa Maria Juvenile Hall will bring the facility to a total Board of Corrections rated capacity of 140 beds. In addition, the project will include a new Administrative/Intake area with medical and mental health offices and classrooms. The project will be constructed in compliance with Board of Corrections Standards as enumerated in Titles 15 and 24 of the California Code of Regulations. The Probation Department has developed a phased in staffing plan which will permit the bed capacity to be expanded as the North County detention bed needs increase. It is anticipated that when the new detention units are completed in July 2004, the capacity will be at 80 beds. The bed capacity will increase through 2015 to a maximum capacity of 140 beds.

Statutory mandates governing Probation Department services are attached for your review.

### **Fiscal and Facilities Impacts:**

The construction costs for the addition to the Santa Maria Juvenile Hall are projected at \$10,786,000 in the award of construction contract to AJ Diani Construction of Santa Maria. A number of required Add Alternates are being considered for the project, and the funding sources are being identified. These add Alternatives would add \$393,000 to the construction costs for a total amount of \$11,179,000. The grant provides for \$8,040,000 of that total cost. The remaining \$3,139,000 has been budgeted for the project utilizing Certificates of Participation funded by designated County Criminal Justice Facility Construction Trust Funds. This project will add an additional 70,000 sq. ft. of occupied Juvenile Hall space to the current facility. In addition, a new Juvenile Court Building will be constructed at the site using separate funds. FY 04-05 operating costs for the expanded facility are expected to increase at a minimum \$3,406,000. The Probation Department is organizing a project team to prepare a recommendation for your Board as to how to fund the additional operating costs.

### **Special Instructions:**

Please send all four copies of the executed Standard Agreement (Contract No. 013-99) to Carter Ray, Probation Department, 117 East Carrillo Street, CA 93101. He will submit the signed contracts to the Board of Corrections for signature and return a full signed contract to the Clerk of the Board.
