To the Santa Barbara County Board,

As a parent of three children, I am deeply worried about the challenges we face in accessing affordable childcare. The high cost of care and the limited availability of slots make it difficult to balance work and family responsibilities. I fear that without adequate support from our county leaders, many families will continue to struggle to find quality care for their children.

Please prioritize funding for childcare initiatives to help struggling families and ensure that all children have access to safe and nurturing care.

Sincerely,  
Linda Davis
