**Summary Text:**

This item is on the agenda to adopt the budget for fiscal year 2026-27 for the County of Santa Barbara as the Successor Agency to the former County of Santa Barbara Redevelopment Agency.

**Discussion:**

Each year the Board of Supervisors must adopt a budget, by resolution for the County of Santa Barbara as Successor Agency to the Former County of Santa Barbara Redevelopment Agency (RDA), to manage remaining enforceable obligations. This item adopts the fiscal year 2026-27 budget of the former RDA.

**Background:**

The Successor Agency operates subject to review by a legislatively formed Countywide Oversight Board comprised of a member of the public and representatives of the local agencies that represent other taxing entities in the former redevelopment project area, which in the County was the community of Isla Vista. The local agencies representing the other taxing entities are: the County, the cities, special districts, K-12 school districts, and community colleges. The Countywide Oversight Board has authority over the financial affairs, as well as supervises the operations and the timely dissolution of the former RDA for Isla Vista projects. The Successor Agency is tasked with making payments and meeting the recognized obligations of the former RDA. It is also responsible for maintaining necessary bond reserves and disposing of excess property. Under the direction of the Oversight Board, the excess balances of the agency beyond what is needed to meet recognized obligations are to be remitted to affected taxing entities.

The Successor Agency to the former County of Santa Barbara RDA is managed by the County Executive Office, in conjunction with the Auditor-Controller’s Office for finance and County Counsel for legal services. Departmental administrative costs are reimbursed plus overhead via interfund billing to the Successor Agency.

**Fiscal and Facilities Impacts:**

Approval of this recommendation adopts a fiscal year 2026-27 Recommended Budget of \$1,376,600 for the County of Santa Barbara as Successor Agency to the former County of Santa Barbara RDA. This is the amount necessary to provide payment of recognized obligations and the statutorily allowed administration allocation from the Redevelopment Property Tax Trust Fund.

**Fiscal Analysis:**

Funding for the FY 2026-27 Recommended Budget is ongoing and comes from the Redevelopment Property Tax Trust Fund (RPTTF).
