6. INDEPENDENT CONTRACTOR

It is mutually understood and agreed that Contractor (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent Contractor as to County and not as an officer, agent, servant, employee, joint venturer, partner, or associate of County. Furthermore, County shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, County shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions hereof. Contractor understands and acknowledges that it shall not be entitled to any of the benefits of a County employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. Contractor shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. Contractor represents that it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, Contractor shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged. All products of whatsoever nature, which Contractor delivers to County pursuant to this Agreement, shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in Contractor's profession. Contractor shall correct or revise any errors or omissions, at County's request without additional compensation. 8. DEBARMENT AND SUSPENSION

Contractor certifies that it shall not contract with a subcontractor that is so debarred or suspended.

AGREEMENT

9. TAXES

Contractor shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. County shall not be responsible for paying any taxes on Contractor's behalf, and should County be required to do so by state, federal, or local taxing agencies, Contractor agrees to promptly reimburse County for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST

Contractor covenants that Contractor presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by Contractor. Contractor must promptly disclose to the County, in writing, any potential conflict of interest. County retains the right to waive a conflict of interest disclosed by Contractor if County determines it to be immaterial, and such waiver is only effective if provided by County to Contractor in writing. As required by 42 CFR sections 455.101 and 455.104, Contractor will complete a Conflict of Interest form provided by County.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

County shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. Contractor shall not release any of such items to other parties except after prior written approval of County. Contractor shall be the legal owner and Custodian of Records for all County client files generated pursuant to this Agreement, and shall comply with all Federal and State confidentiality laws, including Welfare and Institutions Code (WIC) §5328; 42 United States Code (U.S.C.) §290dd-2; and 45 CFR, Parts 160 – 164 setting forth the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Contractor shall inform all of its officers, employees, and agents of the confidentiality provision of said laws. Contractor further agrees to provide County with copies of all County client file documents resulting from this Agreement without requiring any further written release of information. Within HIPAA guidelines, County shall have the unrestricted authority to publish, disclose, distribute, and/or otherwise use in whole or in part, any reports, data, documents or other materials prepared under this Agreement.

Unless otherwise specified in Exhibit A, Contractor hereby assigns to County all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by Contractor pursuant to this Agreement (collectively referred to as "Copyrightable Works and Inventions"). County shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions. Contractor agrees to take such actions and execute and deliver such documents as may be

AGREEMENT

needed to validate, protect and confirm the rights and assignments provided hereunder. Contractor warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. Contractor at its own expense shall defend, indemnify, and hold harmless County against any claim that any Copyrightable Works or Inventions or other items provided by Contractor hereunder infringe upon intellectual or other proprietary rights of a third party, and Contractor shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by County in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of this Agreement.

12. NO PUBLICITY OR ENDORSEMENT

Contractor shall not use County's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. Contractor shall not use County's name or logo in any manner that would give the appearance that the County is endorsing Contractor. Contractor shall not in any way contract on behalf of or in the name of County. Contractor shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the County or its projects, without obtaining the prior written approval of County.

13. COUNTY PROPERTY AND INFORMATION

All of County's property, documents, and information provided for Contractor's use in connection with the services shall remain County's property, and Contractor shall return any such items whenever requested by County and whenever required according to the Termination section of this Agreement. Contractor may use such items only in connection with providing the services. Contractor shall not disseminate any County property, documents, or information without County's prior written consent.

14. RECORDS, AUDIT, AND REVIEW

Contractor shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of Contractor's profession and shall maintain all records until such time that the State Department of Health Care Services completes all actions associated with the final audit, including appeals, for the fiscal year(s) covered by this Agreement, or not less than four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting principles. County shall have the right to audit and review all such documents and records at any time during Contractor's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), Contractor shall be subject to the examination and audit of the California State Auditor, at the request of the County or as part of any audit of the County, for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). Contractor shall participate in any audits and reviews, whether by County or the State, at no charge to County.

If federal, state or County audit exceptions are made relating to this Agreement, Contractor shall reimburse all costs incurred by federal, state, and/or County governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from County, Contractor shall reimburse the

AGREEMENT

amount of the audit exceptions and any other related costs directly to County as specified by County in the notification.

15. INDEMNIFICATION AND INSURANCE

Contractor agrees to the indemnification and insurance provisions as set forth in EXHIBIT C attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION

County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Contractor agrees to comply with said ordinance.

17. NONEXCLUSIVE AGREEMENT

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION

A. **By County.** County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.

2. **For Nonappropriation of Funds.**

A. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.

AGREEMENT

- B. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
 - C. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.
3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.
- B. **By Contractor.** Should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B, Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.
 - C. **Upon termination,** Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

AGREEMENT

20. SECTION HEADINGS

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. SEVERABILITY

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. REMEDIES NOT EXCLUSIVE

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. TIME IS OF THE ESSENCE

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT

No delay or omission of County to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to County shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of County.

25. ENTIRE AGREEMENT AND AMENDMENT

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Requests for changes to the terms and conditions of this agreement after April 1 of the Fiscal Year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. Changes shall be made by an amendment pursuant to this Section. Any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) may be approved by the director of The Department of Behavioral Wellness. The Board of Supervisors of the County of Santa Barbara must approve all other amendments and modifications.

AGREEMENT

26. SUCCESSORS AND ASSIGNS

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

27. COMPLIANCE WITH LAW

Contractor shall, at its sole cost and expense, comply with all County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance or statute, shall be conclusive of that fact as between Contractor and County.

28. CALIFORNIA LAW AND JURISDICTION

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

29. EXECUTION OF COUNTERPARTS

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

30. AUTHORITY

All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(s), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

31. SURVIVAL

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

32. PRECEDENCE

In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.

AGREEMENT

33. COMPLIANCE WITH HIPAA

 - A. **Self-Management and Recovery Training (SMART) Recovery®:** SMART is a self-help program for AOD abuse issues that was established to provide an alternative to Alcoholics Anonymous, Narcotics Anonymous and other faith-based 12-Step programs. SMART is a Cognitive Behavioral Therapy (CBT) model that is offered in a small group format, supported through peer-driven meetings where participants have the opportunity to learn and refine these skills from those who have mastered them in their own recovery. SMART focuses on recognizing and changing distorted thought patterns in order to change emotions and behaviors. SMART provides an important alternative for non-believers and those alienated from 12-Step programs to participate meaningfully in recovery groups. Its focus on CBT also aligns with the Matrix treatment strategy.
 - B. **Double Trouble in Recovery (DTR):** DTR is designed to meet the needs of clients with co-occurring disorders. Traditional 12-Step groups are single-focus groups based on the "one-disease - one-recovery" model. This specialization is largely what bonds members together. However, traditional 12-Step models may not provide adequate assistance to individuals with co-occurring disorders. DTR fills a gap by customizing the 12-Steps for clients with co-occurring disorders to address their individual needs, including medication management issues.
 - C. **Psycho-educational drug abuse intervention groups:** Psycho-educational drug abuse intervention groups are didactic or lecture and discussion groups covering established Matrix Model Early Recovery and Relapse Prevention topics. Topics will focus on the process of recovery, including post-acute withdrawal syndrome (PAWS), relapse prevention planning and skills building.

V. REALLOCATION OF PROGRAM FUNDING

Funding is limited by program to the amount specified in Exhibit B-1-MH. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1-MH between programs, for the purpose of meeting specific program needs or for providing continuity of care to its clients. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee's decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year end cost settlement and will notify Contractor of any reallocation during the cost settlement process.

VI. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS

A. Submission of Claims and Invoices.

1. Submission of Claims and Invoices for Medi-Cal Services. Services are to be entered into the Clinician's Gateway System based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal UOS approved to be claimed for the month, multiplied by the provisional rate in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number. Contractor shall review the report and indicate concurrence that the report will be the basis for Contractor's provisional payment for the month. Contractor shall indicate concurrence within two (2) business days electronically to the County designated representative or to:

Santa Barbara County Department of Behavioral Wellness
ATTN: Accounts Payable
429 North San Antonio Road
Santa Barbara, CA 93110-1316

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

2. Submission of Claims and Invoices for Non Medi-Cal Services. Contractor shall submit a written invoice within 10 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the

FINANCIAL PROVISIONS – MH

(APPLICABLE TO PROGRAMS DESCRIBED IN EXHIBIT A-9 THROUGH A-10)

services less any applicable revenues, including the provisional Medi-Cal payment as described in VI.A.1 of this Exhibit B MH, as appropriate, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VI.A.1 of this Exhibit B MH. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.

3. The Program Contract Maximums specified in Exhibit B-1-MH and this Exhibit B MH are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make provisional payment for approved claims within thirty (30) calendar days of the generation of said claim(s) and invoice by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

- B. Subsidy Payments. This section applies to providers with programs that have subsidy funding allocations. For each program with subsidy funding comprising 5% or less, of the total program funding allocation set forth in Exhibit B-1, payment of subsidy will occur at cost settlement after the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations. For providers with more than 5% total subsidy funding in any program, the final subsidy payment, or up to a maximum of 20% of total subsidy funding allocated for the given program in Exhibit B-1, will be withheld until the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations.
- C. Monthly Financial Statements. Within 15 calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in the Exhibit A(s). If a program has both Medi-Cal billable costs and Non-Medi-Cal billable costs, Contractor shall separately identify Non-Medi-Cal billable costs on their financial statements.
- D. Withholding of Payment for Non-submission of Service Data and Other Information. If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.

FINANCIAL PROVISIONS – MH

(APPLICABLE TO PROGRAMS DESCRIBED IN EXHIBIT A-9 THROUGH A-10)

- E. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards.
- F. Claims Submission Restrictions.
1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
 2. No Payment for Services Provided Following Expiration/ Termination of Agreement. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.
- G. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.
- H. Overpayments: Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within required timeframe.

VII. COST REPORT

- A. Submission of Cost Report. Within three weeks of the release of the cost report template by the Department of Health Care Services (DHCS) but no sooner than 30 days after the end of the fiscal year, Contractor shall provide County with an accurate and complete Annual Cost Report (original cost report) with a statement of expenses and revenue and other supporting schedules for the applicable prior fiscal year. The Annual Cost Report shall be prepared by Contractor in accordance with all applicable Federal, State and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by Contractor shall be reported in its annual Cost Report, and shall be used to offset gross cost. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Behavioral Wellness Director or Designee upon reasonable notice. A final (reconciled) cost report is also due approximately 1-2 years after submission of the original cost report. The specific deadline for the final cost report is determined by the State. Contractor shall submit a final (reconciled) cost report within three weeks of the County's formal request.

EXHIBIT B

FINANCIAL PROVISIONS – MH

(APPLICABLE TO PROGRAMS DESCRIBED IN EXHIBIT A-9 THROUGH A-10)

- B. Cost Report to be Used for Settlement. The Cost Report shall be the financial and statistical report submitted by Contractor to County, and shall serve as the basis for settlement with Contractor as set forth in Section VIII (Pre-audit Cost Report Settlements) below. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Penalties. Failure of Contractor to submit accurate and complete Annual Cost Report(s) within 45 days after the due date set in Section VII.A above or the expiration or termination date of this Agreement shall result in:
1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46th) day after the deadline or the expiration or termination date of this Agreement. The late fee will be invoiced separately or deducted from future payments due to Contractor under this Agreement or a subsequent agreement.
 2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105th) day after the due date set in Section VII.A or the expiration or termination date of this Agreement, then all amounts paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be repaid by Contractor to County. Further, County may terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.
- D. Audited Financial Reports: Each year of the Agreement, the Contractor shall submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.
- E. Single Audit Report: If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

VIII. PRE-AUDIT COST REPORT SETTLEMENTS.

- A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MH Section VII (Cost Reports) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the County will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this agreement. Settlement for services shall be adjusted to the lower of:
1. Contractor's published charge(s) to the general public, as approved by the Contractor's governing board; unless the Contractor is a Nominal Fee Provider. This

EXHIBIT B

FINANCIAL PROVISIONS – MH

(APPLICABLE TO PROGRAMS DESCRIBED IN EXHIBIT A-9 THROUGH A-10)

federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.

2. The Contractor's actual costs.
 3. The County Maximum Allowable rate.
- B. Issuance of Findings. County's issuance of its pre-audit cost report settlement findings shall take place no later than one-hundred-twenty (120) calendar days after Contractor's submission of the original and final/reconciled cost reports.
- C. Payment. In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County by direct payment within thirty (30) days or from deductions or withholding of future payments due to Contractor under this Agreement or a subsequent agreement, if any, at the sole discretion of the Behavioral Wellness Director or designee.

IX. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT:

- A. Audit by Responsible Auditing Party. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Sections 14170 et. seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.
- B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.
- C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

(FOR PROFESSIONAL CONTRACTS)

1. INDEMNIFICATION

Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless County and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by County on account of any claim except where such indemnification is prohibited by law. Contractor's indemnification obligation applies to County's active as well as passive negligence but does not apply to County's sole negligence or willful misconduct.

2. NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

Contractor shall notify County immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

3. INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

- i. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- ii. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
- iii. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- iv. **Professional Liability** (Errors and Omissions) Insurance appropriate to the Contractor's profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains higher limits than the minimums shown above, the County requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

- i. **Additional Insured** – County, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
- ii. **Primary Coverage** – For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- iii. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the County.
- iv. **Waiver of Subrogation Rights** – Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
- v. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
- vi. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
- vii. **Verification of Coverage** – Contractor shall furnish the County with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The Contractor shall furnish evidence of renewal of coverage throughout the term of the Agreement. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

EXHIBIT C

INDEMNIFICATION AND INSURANCE REQUIREMENTS (FOR PROFESSIONAL CONTRACTS)

- viii. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, County has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by County as a material breach of contract.
- ix. **Subcontractors** – Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.
- x. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - b) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
- xi. **Special Risks or Circumstances** – County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of County.
