Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I would be honored to serve on the Human Services Commission. I have extensive non-profit experience having most recently completed my third term as the Board President of the Mission Canyon Association which represents over 1,000 homes in the Mission Canyon area of Santa Barbara. I have been a Board member since 2015. I also serve on the Board of the Jewish Federation of Santa Barbara and have been a volunteer mediator with the Conflict Solutions Center of Santa Barbara and have completed their certificate in mediation and conflict solutions. As a real estate broker and a licensed attorney in California I hope to be able to use my education and skills to assist the Board of Supervisors with the allocation of funding to the many important non-profits in Santa Barbara County. I see almost on a daily basis the need in our county for housing resources to protect one of our most vulnerable communities and I would appreciate the opportunity to help be a part of the solution.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

See attached.
