1. Resolution No. 07-207, adopted by the Board on July 10, 2007, is hereby amended by replacing Section 2 to read as follows, effective June 24, 2024:

SECTION 2 – Job Classification Table

- a. The Job Classification Table lists by classification number and title all classifications authorized by the Board of Supervisors.
- b. If the classification is assigned to a Salary Range, the column "Min/Max Step," the first letter indicates the minimum salary for the classification, and the second letter indicates the maximum salary for the classification. The figures under the "Hourly," "Biweekly," and "Monthly" sections are the minimum and maximum basic hourly, and approximate biweekly and/or monthly salaries for each classification. The rates for Fire Shift classifications have been established as a ratio of 40 hours to the fire shift weekly schedule of 56 hours.
- c. The biweekly salary for members of the Board of Supervisors and elected officials is shown in the "Salary" column.
- d. If the classification is assigned a "Yes" in the Salary Band column, refer to Section 3, Salary Bands.
- e. A "Yes" in the "OT Eligible" (Overtime Eligible) column indicates that the classification is eligible for overtime compensation.
- f. The number listed under the column "Bargaining Unit" indicates the representation unit to which the classification is assigned pursuant to the County's Employer-Employee Relations Policy.
- g. The number listed under the column "Vacation Plan" corresponds to a table maintained by the Auditor-Controller identifying vacation accrual rates and maximums based on years of service.
- h. A designation of "Safety" in the "Safety Retirement" column indicates that regular employees in the classification qualify as safety members in the County's Retirement System.
