4. TERM.

6. INDEPENDENT CONTRACTOR.

It is mutually understood and agreed that Contractor (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent Contractor as to County and not as an officer, agent, servant, employee, joint venturer, partner, or associate of County. Furthermore, County shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, County shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions hereof. Contractor understands and acknowledges that it shall not be entitled to any of the benefits of a County employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. Contractor shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. It is acknowledged that during the term of this Agreement, Contractor may be providing services to others unrelated to the County or to this Agreement. For the avoidance of doubt, Professionals placed under this Agreement shall not for any purpose be considered employees, agents, subcontractors, partners, or representatives of Contractor.

7. STANDARD OF PERFORMANCE.

Contractor represents that, to Contractor's knowledge, it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, Contractor shall perform all staffing services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged. All products (if any) and/or services of whatsoever nature, which Contractor delivers to County pursuant to this Agreement, shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in Contractor's profession. Unless otherwise agreed, Contractor and the Professionals contracted by Contractor shall be required to obtain and maintain all permits and/or licenses required for performance under this Agreement without additional compensation, at Contractor's own expense.

8. DEBARMENT AND SUSPENSION.

Contractor certifies to County that it and its employees and principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts, including but not limited to exclusion from participation from federal health care programs under Sections 1128 or 1128A of the Social Security Act. Contractor certifies that it shall not contract with a Professional or subcontractor that is debarred or suspended.

9. TAXES.

Contractor shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. County shall not be responsible for paying any taxes on Contractor's behalf, and should County be required to do so by state, federal, or local taxing agencies, Contractor agrees to promptly reimburse County for the full value of such paid taxes plus interest and penalty, if any. These taxes may include, but not be limited to, the following, if applicable: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST.

Contractor covenants that Contractor presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall knowingly be employed by or subcontract with Contractor. County retains the right to waive a conflict of interest disclosed by Contractor if County determines it to be immaterial, and such waiver is only effective if provided by County to Contractor in writing.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY.

County shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. Contractor shall not release any of such items to other parties except after prior written approval of County.

12. NO PUBLICITY OR ENDORSEMENT.

Contractor shall not use County's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. Contractor shall not use County's name or logo in any manner that would give the appearance that the County is endorsing Contractor. Contractor shall not in any way contract on behalf of or in the name of County. Contractor shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the County or its projects, without obtaining the prior written approval of County.

Contractor may use such items only in connection with providing the services. Contractor shall not disseminate any County property, documents, or information without County's prior written consent.

14. RECORDS, AUDIT, AND REVIEW.

- A. Contractor shall keep all records and supporting documentation pertaining to the performance of this Agreement as would be kept by a reasonably prudent practitioner of Contractor's profession and shall maintain all records until such time that the County or any state or federal department, including but not limited to the State Department of Health Care Services, completes all actions associated with any audit, including appeals, for the fiscal year(s) covered by this Agreement, or not less than ten (10) years following the termination of this Agreement, whichever is earlier, unless an audit is taking place, in which case Contractor shall maintain all records in accordance with this section until such audit has been completed and time for appeal has expired. All accounting records shall be kept in accordance with generally accepted accounting principles.
- B. County, and any authorized state or federal official or designee, shall have the right to audit, review, and copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor shall allow the auditor(s) access to such documents and records at Contractor's principal place of business during Contractor's regular business hours, upon reasonable written notice (not less than 30 days), and to allow at Contractor's principal place of business interviews of any employees who might reasonably have information related to such records. Contractor agrees to include a similar right to audit records and interview staff in any subcontract related to performance of this Agreement. In addition, Contractor shall comply with the record keeping and audit requirements included in EXHIBIT A-1- MHP to this Agreement. Contractor shall participate in any audits and reviews, whether by County or the State, at the County's sole cost and expense.
- C. If federal, state or County audit exceptions are made relating to this Agreement, Contractor shall reimburse all costs incurred by federal, state, and/or County governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Within 30 days after written notification from County, Contractor shall reimburse the amount of the audit exceptions. The provisions of the Records, Audit, and Review section shall survive for 10 years following any expiration or termination of this Agreement.

15. INDEMNIFICATION AND INSURANCE.

Contractor agrees to the indemnification and insurance provisions as set forth in EXHIBIT C – Standard Indemnification and Insurance Provisions attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Contractor agrees to comply with said ordinance. Contractor shall also comply with the nondiscrimination provisions set forth in EXHIBIT A-1 MHP to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

19.1 Cancellation of Assignment. Subject to Section 19.2 below:

- A.** For Convenience of either party: if either Party desires to cancel any licensed healthcare provider's ("Professional(s)") assignment ("Assignment") for any reason or no reason except For Cause as defined below (each, a "Cancellation for Convenience"), the cancelling Party shall provide the other party at least thirty (30) calendar days' written notice of such cancellation.
- B.** For Cause: As set forth in Exhibit A-2, Section 5.E., County shall have the right to immediately cancel the Assignment of any Professional for Cause.

19.2 Effects of Cancellation or Termination:

- A.** Termination of this Contract or cancellation of any Assignment, for any or no reason, shall not release either Party from any obligation or liability to the other Party, including without limitation any payment obligation, that: (i) has already accrued hereunder; (ii) comes into effect due to such termination or cancellation; or (iii) otherwise expressly or impliedly survives such termination or cancellation unless otherwise stated herein;
- B.** Termination of this Contract automatically cancels all Assignments;
- C.** Thirty (30) days after any Cancellation for Convenience by County or cancellation or termination for any material breach by County (each, a "County-Based Cancellation or Termination"), County shall pay to Contractor an amount equal to: Contractor's placement order ("Placement Order"), at the normal hourly rate, in substantially the same form as attached hereto as Exhibit B-2 ("Assignment Fees") that would have been payable to Contractor under the cancelled Assignment but for such cancellation or termination, up to a maximum of twenty (20) calendar days (collectively, under this Section 19.2, the "Assignment Liquidated Damages"); and
- D.** Upon any Cancellation for Cause by County or Cancellation for Convenience by Contractor, County shall pay to Contractor all Assignment Fees in connection with services performed by Professional(s) before the effective date of such cancellation.

19.3 Assignment Liquidated Damages: The Parties intend that the Assignment Liquidated Damages constitute compensation, not a penalty. The Parties acknowledge and agree that the harm caused by any Cancellation for Convenience or County-based Cancellation or Termination would be impossible or very difficult to accurately estimate, and that the Assignment Liquidated Damages are a reasonable estimate of the anticipated or actual harm that might arise therefrom. County's payment of the Assignment Liquidated Damages is County's sole liability and entire obligation, as well as Contractor's exclusive remedy, for any Cancellation for Convenience or County-Based Cancellation or Termination. In no event shall County be obligated to pay Assignment Liquidated

Damages if doing so would exceed the Contract Maximum set forth in Exhibit B Financial Provisions of this Agreement.

19.4 Termination of Agreement:

- A. For Convenience:** Subject to this Section 19, either Contractor or County may, for any reason, prior to the expiration date of this contract, terminate this contract upon thirty (30) days' notice in writing to the other Party.
- B. For Cause:** Subject to this Section 19, upon a material breach of the Contract by either County or Contractor, the other Party may terminate by written notice as specified in this Section 19.
- C. Work in Progress:** Unless otherwise directed in the notice of termination all work under this Agreement must be immediately halted.
- D. Non-appropriation of Funds.**
 - 1. The Parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
 - 2. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
 - 3. Contractor expressly agrees that no penalty or damages, including but not limited to the Assignment Liquidated Damages, shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.

20. SECTION HEADINGS.

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT.

No delay or omission of either Party to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to each Party shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of the applicable Party.

25. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties with respect to the subject matter hereof, and supersedes all prior understandings, promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature regarding such subject matter hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. All requests for changes to this Agreement shall be in writing and shall be made by an amendment pursuant to this section. Any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) may be approved by the Director of the Department of Behavioral Wellness. The Behavioral Wellness Director or designee may add positions and/or approve rate changes not to exceed 10% of the rate currently stated in Exhibit B-1, subject to the procedures set forth in Exhibit B, Section 2 so long as the maximum contract amount is unchanged. Except as otherwise provided in this Agreement, the Board of Supervisors of the County of Santa Barbara must approve all other amendments and modifications.

26. SUCCESSORS AND ASSIGNS.

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

Contractor shall, at its sole cost and expense, comply with all County, State and Federal ordinances; statutes; regulations; orders including, but not limited to, executive orders, court orders, and health officer orders; guidance; and letters including, but not limited to, those issued by the California Department of Public Health now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance, statute, regulation, order, and/or letter shall be conclusive of that fact as between Contractor and County.

28. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

31. SURVIVAL.

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

- A.** Contractor agrees to inform Professionals to:
1. Maintain the confidentiality of patient records pursuant to: Title 42 United State Code (USC) Section 290 dd-2; Title 42 Code of Federal Regulations (CFR), Part 2; 45 CFR Section 96.132(e), 45 CFR Parts 160, 162, and 164; Title 22 California Code of Regulations (CCR) Section 51009; Welfare & Institutions Code (W&IC) Sections 5328 *et seq.* and 14100.2; Health and Safety Code (HSC) Sections 11812 and 11845.5; Civil Code Sections 56 – 56.37, 1798.80 – 1798.82, and 1798.85; and the Compliance with HIPAA section of this Agreement;

Ensure that no list of persons receiving services under this Agreement is published, disclosed, or used for any purpose except for the direct administration of this program or other uses authorized by law that are not in conflict with requirements for confidentiality contained in the preceding codes.
12. **DOCUMENTATION.** Contractor shall inform Professionals that County requires that they shall enter into County's Management Information System (MIS) all required records for billing purposes, utilization review, and other purposes as provided by this Contract, and all records shall provide all information necessary for County to receive payment or reimbursement from Medi-Cal, Medicare, Medicaid and any other public and/or private insurance. County shall provide training to Professionals on documentation within seven days of beginning an Assignment. In addition, County will provide periodic peer review of documentation, and provide feedback to the Professional on the adequacy of documentation. Contractor shall request that Professional's references provide feedback on the quality of Professional's past medical records documentation and that any deficiencies should be noted therein in order to be brought to the attention of County.
13. **CONTRACTING OF PROFESSIONALS.**
- A. County agrees to accept the Professional for the entire Assignment and any extensions thereof through Contractor if the Professional's written profile is submitted by Contractor to the County before any other agency submits a profile to the County for the same Professional. County shall notify Contractor within one (1) business day if Professional is already known to County. If County fails to comply with the preceding sentence, Contractor shall be deemed to have introduced Professional to County, and County shall exclusively use Contractor to coordinate all Professional assignments for such Professional.
 - B. County acknowledges, understands, and agrees that (i) Contractor is not a permanent placement or recruiting agency; (ii) Contractor's business relies on each Professional's ability to provide locum tenens services to Contractor's clients; and (iii) Contractor would be substantially and irreparably harmed if County or any County facility, entity, or organization controlling, controlled by, or under common control with County (each, a "**County Affiliate**"), were to employ or contract directly or indirectly with any Professional introduced to County by Contractor.
 - C. Except where expressly prohibited by law, before County or any County Affiliate may engage or attempt to engage, other than under this Agreement, any Professional introduced to County by Contractor in accordance with Section 13(A) above, one of the following conditions must be met. County must either:
 1. Wait at least 24 months from the end of the Professional's most recent Assignment, or, if only a submittal of the Professional's information and no Assignment had been made, 12 months from the last submittal date; or
 2. Wait at least 12 months after the date the Professional first rendered services to County and pay to Contractor an amount equal to \$45,000.00 (the "**Conversion Fee**"); or
 3. Promptly pay to Contractor an amount equal to three times the Conversion Fee, minus \$5,000.00 for each month in which the Professional renders services pursuant to this Agreement.

- D.** The parties agree that the payment described in Section 13 above is reasonable and constitutes compensation, not a penalty. Contractor's right to such payment is Contractor's exclusive remedy for any failure by County to comply with Section 13-C(ii) or Section 13-C(iii). In no event shall County be obligated to pay a Conversion Fee if doing so would exceed the Contract Maximum set forth in Exhibit B of this Agreement; provided, however, that County may amend the Agreement to increase the Contract Maximum if County's payment of the Conversion Fee would exceed the Contract Maximum.
- E. This Section 13 shall survive termination of the Agreement.**

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law, but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall promptly notify COUNTY in the event a medical malpractice claim arising out of or in connection with this Agreement becomes known to it. The indemnification provisions in this Agreement shall survive for five (5) years following any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. *(Not required if CONTRACTOR provides written verification that it has no employees)*
3. **Professional Liability:** (Errors and Omissions) Insurance appropriate to the CONTRACTOR'S profession, with limit no less than \$1,000,000 per occurrence or claim, \$3,000,000 aggregate the "PL Insurance Policy").

Professionals placed at COUNTY facilities will only be covered under the PL Insurance Policy and will not be covered under CONTRACTOR'S General Liability or Workers' Compensation policies.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR’S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR’S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR’S insurance and shall not contribute with it.
3. **Notice of Cancellation** – CONTRACTOR agrees to immediately notify COUNTY upon cancellation of any required insurance policy.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation (except for Professional Liability) which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best’s Insurance Guide rating of “A- VII”.
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR’S obligation to provide them. Upon request CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors. Professionals, as defined within the Agreement, are independent contractors and not subcontractors of CONTRACTOR.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by written amendment to this Agreement.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
