EXHIBIT A-2

STATEMENT OF WORK (February 28, 2023 – June 30, 2025)

I. BACKGROUND

The County Department of Social Services (DSS) employs a Contractor on Payroll to provide social services through the Cuyama Valley Family Resource Center (CVFRC). A grant from First 5 Santa Barbara County provides partial funding for the Program Coordinator position to ensure that children ages 0 to 5 and their families have access to family support and school readiness services. The First 5 Request for Proposals identified the delivery of Evidence Based Parent Education (EBPE) as a strategic priority. The Contractor on Payroll is not qualified to deliver this service; therefore, DSS requested CALM, Inc. to submit a proposal for the delivery of EBPE. CALM, Inc. already has a relationship with CVFRC, as they have provided informal parenting support there for the past three years. First 5 granted funding to DSS for Cuyama for four years, beginning in Fiscal Year (FY) 2021-22. The DSS proposal included CALM, Inc. as a subcontractor.

II. PROGRAM DESCRIPTION

The Incredible Years Parenting Program (“Incredible Years program”) is an evidenced-based parenting program designed to strengthen parent-child interactions and attachment, reducing harsh discipline, and fostering parents’ ability to promote children’s social, emotional, and language development. Parent education reduces the risk of child abuse and neglect by encouraging positive parenting practices that promote safety, well-being, and permanency for children and families. The Incredible Years program also teaches parents how to build school readiness skills. Parents are encouraged to partner with teachers and day care professionals so they can promote children’s emotional regulation and social skills. Facilitators use video clips of real-life situational vignettes to support the training and trigger parenting group discussions, problem solving, and practice exercises.

The classes for parents will address the needs of participating families, and will focus on the following areas:

- a. Strengthen Parent-Child Interactions
- b. Nurturing Relationships
- c. Reduce Harsh Discipline
- d. Fostering parents’ ability to promote children’s social, emotional and language development
- e. Promote School Readiness
- f. Fostering parents’ ability to promote children’s academic and social skills
- g. Increase Social and Emotional Self-Regulation Skills

CVFRC will refer participants to the Incredible Years program. Participants will be parents or primary care givers of a child between the ages 0 to 5 years who reside in the Cuyama Valley.
