AFFILIATIONS

- ENA-Emergency Nurses Association
- ATS-American Trauma Society
- PST-Pediatric Trauma Society
- STN-Society of Trauma Nurses
- California ENA Pediatric Committee
- California ENA Trauma Committee

PROJECTS

- Thoracic Epidural Guideline, Created and implemented a guideline for utilization of thoracic epidural analgesia. This best practice pain management approach required development of a guideline with anesthesia, development of nursing policies and education to physicians and nurses.
- Respiratory Syncytial Virus (RSV) Surge Preparation, Developed an education plan using simulation to educate frontline nursing staff on the support and treatment of infants and children for a possible surge of (RSV). Further established the plan for use at all three Dignity Health facilities on the central coast including the Emergency and Pediatric

Departments.

- Emergency Department Nurse Residency Development, Coordinated with the residency program during the development and certification of the Nurse Residency Program acting as subject matter expert for emergency department nursing. Much of the development was deemed as best practice and is now utilized by the national nurse residency program. Continue to teach in the program presently.
- Emergency Nurses Pediatric Curriculum Course (ENPC) Development at Marian Regional Medical Center, As a staff nurse independently became a course instructor and then course director for ENPC and worked with the education department to offer ENPC to local nurses. Recognized by California Emergency Nurses Association for bringing the ENPC to an area with no access to the course. Acted as course director mentoring new instructors as needed to maintain the structure and availability of ENPC on the central coast.
