What is a Social Host Ordinance?

- **A Social Host Ordinance holds responsible those individuals who host events at which underage individuals consume alcoholic beverages**
- **It applies to parents or other adults (such as older siblings or landlords)**
- **It applies to underage drinking that occurs on property those responsible adults own, rent, lease, or otherwise control**

Why is a Social Host Ordinance Important to Santa Barbara County?

Underage and binge drinking is a significant societal problem – it is the number ONE “drug of choice” for today’s youth and:

- Alcohol is involved in teen deaths by a 4 to 1 ratio over all other illicit drugs combined**
- It is a factor in nearly half of all teen car accidents**
- It is also a factor in 50% – 65% of teen suicides**
- Alcohol abuse is linked to as many as two-thirds of all sexual assaults**
- Those who drink before age 15 are far more likely to become addicted than those who begin at age 21**

Why is a Social Host Ordinance Important to Santa Barbara County?

- **A common way underage drinkers access alcohol is at parties**
- **These parties are commonly large gatherings in homes, at parks or beaches, or rented venues**
- **Parties are problematic because of the number of drinkers involved and the large quantities of alcohol consumed**
- **Reports of alcohol poisonings, traffic collisions, property damage, community disturbances, violence, and sexual assault are an all-too-common result of these events**

Why is a Social Host Ordinance Important to Santa Barbara County?

- **Data gathered from Santa Barbara 7th, 9th, and 11th graders by *California Healthy Kids* shows alcohol is a serious problem**
- **Another indication of alcohol and drug abuse among the adolescent population is evidenced in the growing number of adolescents participating in alcohol and drug treatment programs:**

- **Is a threat to public health and safety;**
- **Disturbs the quiet enjoyment of residential property;**
- **Threatens the general welfare; and**
- **Is a public nuisance.**

Social Host Ordinances also recognize that:

- **Those responsible for loud or unruly parties have a duty to ensure alcoholic beverages are not consumed by underage persons**
- **Landlords have a duty to prevent such occurrences**
- **These occurrences often result in multiple calls to law enforcement and emergency responders resulting in expenditure of public safety resources**
