# MEMORANDUM OF UNDERSTANDING FOR COST SHARING BETWEEN

# SANTA BARBARA COUNTY WORKFORCE DEVELOPMENT BOARD AND

## SANTA BARBARA COUNTY AMERICA'S JOB CENTER OF CALIFORNIA<sup>SM</sup> ONE-STOP SYSTEM PARTNERS

#### I. Preamble/Purpose of MOU

The Workforce Innovation and Opportunity Act (WIOA) requires that a Memorandum of Understanding (MOU) be developed and executed between the Local Board and the each of the America's Job Center of California SM (AJCCSM) One-Stop System partners to arrive at an infrastructure funding agreement (IFA), and to identify other system costs such as the costs incurred to provide applicable career services. This agreement was referenced in a previously executed Memorandum of Understanding (MOU) for Service Coordination, and addresses how to sustain the unified system described in that previously executed MOU through the use of resource sharing and joint infrastructure cost funding.

Pursuant to State of California Employment Development Department (EDD) Directive WSD16-09, currently only AJCC partners who are physically colocated in the comprehensive AJCC center (full-time or part-time) must contribute their proportionate share towards infrastructure costs.

AJCC partners that must physically colocate in the AJCC center include:

- WIOA Title I Adult and Dislocated Worker Programs; and
- WIOA Title III Wagner-Peyser (employment services authorized under the Wagner-Peyser Act 29 U.S.C. 49 et seq.)

Pursuant to WSD16-09, currently, there is not a statewide data tracking system that can provide accurate and reliable data for allocating the benefit received by non-colocated partners, such as the number of referrals to and from the AJCC and/or usage of AJCC based services and usage of the comprehensive AJCCs. In order to remain in compliance with federal Uniform Guidance cost allocability rules, the requirement to contribute to infrastructure costs at this time only applies to those partners who are physically colocated in the job centers.

The state is in the process of implementing the requisite statewide data tracking system, and once such data are available, all non-colocated partners who are receiving benefit from the job centers will also be required to contribute their proportionate share towards infrastructure costs. *Consequently, this Phase II MOU includes* an assurance from all non-colocated partners that they agree to pay their proportionate share of infrastructure costs once sufficient data are available.

Pursuant to WSD16-09 However, it is important to note that non-colocated partners are still required to contribute to other system costs based on their proportionate share of applicable career services as identified in the Phase I MOU.

| Partner who is non-colocated | Yes                                    | No  | Yes   |

Pursuant to State of California Employment Development Department (EDD) Directive WSD16-09, this MOU for Cost Sharing must be in place at the local level by September 1, 2017 or the state funding mechanism will be triggered and the Governor and the Superintendent of Public Instruction (SPI) must then determine the required contributions of each AJCC partner. The AJCC partners acknowledge that the advantages of establishing self-negotiated, successful Phase II MOUs under the local funding mechanism, as described by EDD in WDB 16-09, including the following:

- Local autonomy Under the local funding mechanism, decisions remain at the local level which ensures the Phase II MOUs will be tailored to each Local Area's unique needs.
- Stronger regional partnerships The more each partner can have a direct say in the local negotiations, the stronger the partnerships will be.
- No caps on partner contributions Under the state funding mechanism, specific caps are set on the amount and percent of each partner's funds that may be contributed. However, under the local funding mechanism there are no caps.
- Flexibility on funds used Title I programs are allowed to use program funds to pay their
  proportionate share of the infrastructure costs when negotiating under the local funding
  mechanism. If the state funding mechanism is triggered, Title I programs may be required to pay
  their proportionate share only out of administrative costs.

## II. Period of Time this Agreement is Effective

This agreement goes into effect January 1, 2018, and must be reviewed and updated by January 1, 2021. Although federal guidance requires that this MOU be reviewed and updated a minimum of every three years, the IFA budgets must be reviewed annually and updated if there are substantial changes. The IFA budget is located in Appendix A, and is subject to change to accomplish any required updating. *Doing so will not constitute amending this MOU and will not require that the parties again sign this MOU.*

Doing so will not constitute amending this MOU and will not require that the parties again sign this MOU.

#### IV. Definitions

Pursuant to EDD WSD 16-09, for purposes of this MOU the following definitions apply:

America's Job Center of California <sup>SM</sup> (AJCC<sup>SM</sup>) – The common identifier used within California for One-Stop centers and the One-Stop system.

Applicable Career Services – Services identified in WIOA Section 134(c)(2), that are delivered by the AJCC required partners as authorized under their programs. They consist of three categories: basic career services, individualized career services, and follow up services (WIOA Joint Final Rule Section 678.425).

Comprehensive AJCC (One-Stop) Center – An AJCC location where job seekers and employers can access the programs, services, and activities of all required AJCC partners with at least one Title I staff person physically present (WIOA Joint Final Rule Section 678.305).

Affiliate AJCC – An AJCC location where job seekers and employers can access the programs, services, and activities of one or more AJCC partners. An Affiliate AJCC is not required to provide access to all partner programs (WIOA Joint Final Rule Section 678.310).

Specialized AJCC – An AJCC location associated with either a Comprehensive or Affiliate AJCC that addresses specific needs of dislocated workers, youth, or key industry sectors, or clusters (WIOA Joint Final Rule Section 678.300[d][3]).

Infrastructure Costs – Non-personnel costs that are necessary for the general operation of each comprehensive AJCC, including: rental of the facilities, utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), technology to facilitate access to the AJCC (including technology used for the center's planning and outreach activities), and common identifier costs if decided on by the Local Board and AJCC partners (WIOA Joint Final Rule Section 678.700).

Network of Comprehensive AJCCs – A collection of comprehensive AJCCs located within a Local Area. As an alternative to developing separate budgets for each comprehensive AJCC, Local Areas with more than one comprehensive AJCC may instead develop a cross-center infrastructure budget that details the infrastructure costs aggregated across the network of comprehensive AJCCs and across co-located partners.

Other System Costs – Other costs that are agreed upon by the Local Board and all AJCC partners. The other system costs budget must include a line item for applicable career services. The budget may also include the cost of other shared services commonly provided by AJCC partners to any individual such as initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services to meet

needs, referrals to other AJCC partners, and business services. Shared operating costs may also include shared costs related to the Local Board's functions. This could include costs associated with the AJCC operator, policy and oversight of AJCC partnerships and effectiveness, etc. (WIOA Joint Final Rule Section 678.760).

Proportionate Share – The share of each partner program's infrastructure costs based upon its proportionate use of the AJCC, if benefit is received from that use (WIOA Joint Final Rule Preamble page 55907).

Colocated Partners – AJCC partners who have a physical presence within the center, either full time or part time.

Non-Colocated Partners – AJCC partners who do not have a physical presence within the center.

Cash Contributions – Cash funds used to cover a partner's proportionate share of the AJCC. Can be paid either directly from the partner or through an interagency transfer on behalf of the partner (WIOA Joint Final Rule Section 678.720).

Non-Cash Contributions – Expenditures made by one partner on behalf of the AJCC or contributions of goods or services contributed by a partner for the center's use. Contributions must be valued consistent with Uniform Guidance (WIOA Joint Final Rule Section 678.720).

Third Party In-Kind Contributions – Contributions by a non-AJCC partner to support the AJCC in general, not a specific partner; or contributions by a non-AJCC partner to an AJCC partner to support its proportionate share of the infrastructure costs. Unrestricted contributions that support the AJCC in general would lower the total amount of infrastructure costs prior to proportionate division whereas restricted contributions can be used by the intended partner(s) to lower their share of the infrastructure costs (WIOA Joint Final Rule Section 678.720).

Local Funding Mechanism – An infrastructure funding agreement (IFA) negotiated by the Local Boards with all AJCC partners for each comprehensive AJCC (WIOA Joint Final Rule Section 678.715).

State Funding Mechanism – An IFA established by the Governor and the Superintendent of Public Instruction (SPI) that is triggered if a Local Board is unable to secure completed Phase II MOUs from all AJCC required partners by the deadline (WIOA Joint Final Rule Section 678.730).

#### V. Comprehensive AJCC One-Stop Center

See Appendix A for the location(s) of Comprehensive AJCC (One-Stop) Center(s) in Santa Barbara County and corresponding IFA budget(s).

## VI. <u>Infrastructure Cost Allocation</u>

The cost allocation methodology chosen to charge each colocated partner for infrastructure costs in proportion to its use of the AJCC and the benefit received, in accordance with Uniform Guidance is as follows:

- Consistent with the current lease(s) between the colocated partners, rental of facilities and utility costs are allocated based on square foot occupied; and
- Consistent with current practice, equipment costs and technology costs are paid by each partner using the equipment and technology.

See Appendix A for the IFA, budgets, and each partner's proportional share.

## VII. Other System Costs (Applicable Career Services)

Other system costs that include Applicable Career Services for each of the required AJCC System Partners are set forth in Appendix A.

## VIII. Americans with Disabilities Act and Amendments Compliance

AJCC<sup>SM</sup> One-Stop System partners agree to ensure that the policies and procedures as well as the programs and services provided at AJCC<sup>SM</sup> One-Stop center(s) are in compliance with the Americans with Disabilities Act and its amendments. Additionally, AJCC<sup>SM</sup> One-Stop System partners agree to fully comply with the provisions of WIOA, Title VII of the civil Rights act of 1964, the Age Decimation Act of 1975, Title IX of the Education Amendments of 1972, 29 CRF Part 37 and all other regulations implementing the aforementioned laws.

#### IX. Modifications and Revisions and Dispute Resolution

This MOU constitutes the entire agreement between the Workforce Development Board and each of the AJCC<sup>SM</sup> One-Stop System partners and no oral understanding not incorporated herein shall be binding on any of the parties hereto. This MOU may be modified, altered, or revised, as necessary, by mutual consent of the parties, by the issuance of a written amendment, signed and dated by the Workforce Development Board and the relevant AJCC<sup>SM</sup> One-Stop System partner(s).

Should disputes between the parties arise, the parties shall first attempt to resolve all disputes informally. Any party may request that the WDB Executive Director call a meeting of some or all parties to this MOU to discuss and resolve disputes. Should informal resolution efforts fail, the dispute shall be referred to the WDB Executive Director who shall obtain an independent party to mediate to help the partners resolve the dispute, and issue a written recommendation.

#### X. <u>Termination</u>

The parties understand that implementation of the AJCC<sup>SM</sup> One-Stop System is dependent on the good faith effort of every partner to work together to improve services to the community. The parties also agree that this is a project where different ways of working together and providing services are being tried. In the event that it becomes necessary for a partner to cease being a part of this MOU, said entity shall notify the Workforce Development Board staff, in writing, 30 days in advance of that intention. In the event that it becomes necessary for the Workforce Development Board to require a partner to cease being a part of this MOU, the Workforce Development Board staff shall notify the partner, in writing, 30 days in advance of that intention.

#### XI. Hold Harmless/Indemnification/Liability

In accordance with provisions of Section 895.4 of the California Government Code, each party hereby agrees to indemnify, defend and hold harmless all other parties identified in this MOU from and against any and all claims, demands, damages and costs arising out of or resulting from any acts or omissions which arise from the performance of the obligations by such indemnifying party pursuant to this MOU. In addition, except for Departments of the State of California which cannot provide for indemnification of court costs and attorney's fees under the indemnification policy of the State of California, all other parties to this MOU agree to indemnify, defend and hold harmless each other from and against all court costs and attorney's fees arising out of or resulting from any acts or omissions which arise from the performance of the obligations by such indemnifying party pursuant to this MOU. It is understood and agreed that all indemnity provided herein shall survive the termination of this MOU.
