29 FACTUAL BACKGROUND

30 Nomad Village Mobile Home Park is located at 4326 Calle  
31 Real, Santa Barbara, CA 93110, between El Sueño Road and San  
32 Marcos Pass. Nomad Village is a 150-space mobile home park, in  
33 which the mobilehomes are all owned by homeowners who rent their  
34 Spaces from the Park. The Park was developed in the late 1950's

1 and from 1958 to 2008, was operated by Nomad Village, Inc.,  
2 which leases the land on which the Park is located under a  
3 ground lease which expired in 2008. The fee interest in the  
4 ground on which the Park is located is owned by the Bell Trust,  
5 the long-time owner of the land.  
6

7 Nomad Village Mobile Home Park is operated by Waterhouse  
8 Managemet Company, the management company for Lazy Landing, LLC,  
9 which entered into a long-term Ground Lease for the Park  
10 commencing August 1, 2008. The term of the Ground Lease is 34  
11 years. The Ground Lease requires that the Park operator pay  
12 property taxes and maintain the Park and make all necessary  
13 improvements to the Park. The Ground Lease requires that the  
14 Park operator pay rent to the property owner in the amount of  
15 20% of the gross space rents paid, which is double the amount of  
16 rent that was charged to the prior operator, Nomad Village,  
17 Inc., which paid rent in the amount of 10% of the gross space  
18 rents paid.  
19

20 There are no leases between the Park and any homeowner; all  
21 of the homeowners are on month-to-month tenancies, all of which  
22 are subject to the Santa Barbara County Rent Control Ordinance.  
23

24 There has not been any space rent increases in Nomad  
25 Village Mobile Home Park at all since the current management  
26 took over.  
27  
28

1 On January 26, 2011, the Park delivered to all homeowners  
2 in the Park two separate notices with respect to rent, as  
3 follows:  
4

5 1. A Notice of Increase in Monthly Rent Effective May 1,  
6 2011, dated January 26, 2011, to all homeowners of Nomad Village  
7 Mobile Home Park. The same Notice was sent to all homeowners of  
8 the Park. This Notice stated that the homeowner's Base Rent  
9 would be increased by 75% of CPI for the period of May 1, 2009  
10 through May, 1, 2011. The Notice stated that in addition to the  
11 Base-Rent increase, the homeowner's Space Rent is also being  
12 increased in accordance with the terms of the Ordinance by the  
13 amount of \$161 per space, per month; of this amount, \$102.84  
14 will be temporary, for a period of 7 years, beginning May 1,  
15 2011, and terminating April 30, 2011. This increase was in  
16 accordance with the terms of the Ordinance for recoupment of  
17 expenses incurred by Park management for increased operating  
18 expenses by park management for increased property taxes, and  
19 increased ground lease payments, as well as for capital expenses  
20 being incurred by the Park. The Notice stated that it was being  
21 issued pursuant to the Santa Barbara County Rent Control  
22 Ordinance (referred to as "Ordinance" herein). A copy of this  
23 Notice is attached hereto as Exhibit A.  
24  
25

26 2. A Notice of Amount of Space Rent Commencing May 1,  
27 2011, constituting a ninety-day Notice of Rent Increase in the  
28 Base Rent for each of the Spaces in the Park, dated January 26,

1 2011; the increases were in the exact amount of .75% of the CPI  
2 of the existing Base Rent for each of the Spaces, for the period  
3 May 1, 2009 through May, 1, 2011, with the rent increase  
4 effective May 1, 2011. The amount of Base Rent, obviously,  
5 differs from Space to Space; but for each given space, Base Rent  
6 was increased by 75% of CPI, for the period. An example of such  
7 a Notice (with the name a space number redacted) is attached  
8 hereto as Exhibit B.  
9

10  
11 Homeowners of the Park were also provided with a Spreadsheet,  
12 entitled Nomad Village Space Rent Increase (May, 2011) setting  
13 forth in detail the amounts of the space rent and the charges on  
14 which they were based. A copy of the Spreadsheet is attached  
15 hereto as Exhibit C.  
16

17  
18 As set forth in the Notice of Increase in Monthly Rent,  
19 Park management provided the homeowners with an informational  
20 meeting with Park management about the rent increase on February  
21 16, 2011, at 6:00 P.M. at the Park recreation room. The Park  
22 management set a Meet and Confer for February 16 at 7:30 P.M. at  
23 the Park recreation room, for designated representatives of the  
24 homeowners to attend, pursuant to the terms of the Ordinance.  
25

26 Four representatives of the Park management attended the  
27 Meet and Confer. In addition, Park management had its  
28 electrical engineer, John Maloney, available for any questions

1 by the homeowner representatives. Four persons who indicated  
2 that they were designated representatives of the homeowners  
3 attended, however, they indicated that they were not empowered  
4 to enter into negotiations with Park management at that time.  
5 Park management provided a number of financial and other  
6 documents supporting the rent increase at the time of the Meet  
7 and Confer, as well as before and after the Meet and Confer. A  
8 follow up Meet and Confer was held on March 8, 2011, at the Park  
9 recreation room. Three representatives of Park management  
10 attended. Two of the representatives of the homeowners  
11 attended, however, they again indicated that they were not  
12 empowered to enter into negotiations with Park management at  
13 that time.  
14  
15

16  
17 The Homeowner representatives, and all homeowners in the Park,  
18 were provided with a statement of income and expenses for the  
19 Park for the past 5 years (i.e. 2006-2010). A copy of the Nomad  
20 Village MHP Income and Expense Summary 2006-2010 is attached as  
21 Exhibit D.

22 In addition, the Homeowner representatives, and all homeowners  
23 in the Park, were also provided with various other documents  
24 supporting the rent increase, including a copy of the Ground  
25 Lease showing the amount of ground rent payable by Park  
26 management and the fact that the Park management is responsible  
27 for real estate taxes, a property tax statement showing the  
28

1 property tax increase, and the CPI Index published by the  
2 Federal government showing the CPI increases on which the Base  
3 Rent increase was based. A copy of these additional documents is  
4 attached as Exhibit E. A variety of other documents have been  
5 provided to the homeowners representatives as well.  
6

7  
8 In April, 2011, Park management was notified that a  
9 Petition challenging the Park's rent increase had been filed  
10 with Santa Barbara County. It was purported that the Petition  
11 was made by a majority of homeowners, as required by the Santa  
12 Barbara County Code. The Petition states that it is challenging  
13 the rent increase, although the Petition does not properly  
14 identify the basis of the Petition.  
15

16 The Petition was represented to be brought under the Santa  
17 Barbara County Rent Control Ordinance ("Ordinance"), which is  
18 set forth in Chapter 11A of the Santa Barbara County Code.

OBJECTIONS TO PETITION

I

THE EXPRESS TERMS OF THE ORDINANCE MANDATE THAT THE PETITION FOR  
HEARING MUST BE DENIED

Section 11A-5 of the Ordinance is entitled "Increases in Maximum Rent Schedule," and deals with permissible rent increases and the operation of arbitration hearings regarding rent increases.

Sub-section (d) of Section 11A-5 specifies that the arbitrator must deny a hearing upon finding, inter-alia, that the petition was not supported by a homeowner majority, or that the noticed rent increase is not in excess of seventy-five percent of CPI, and provides as follows, emphases added:

(d) The arbitrator shall deny a hearing on a noticed increase:

(1) Where management has not waived its right to object and proves by a preponderance of evidence that:

(A) The homeowners' petition for hearing was not supported by a homeowner majority or was untimely filed. For purposes of this determination, management may require the testimony of the clerk but may not require the production of homeowner's petitions or copies thereof, except that said petitions may be examined by the arbitrator; or

(B) The noticed increase is not in excess of seventy-five

1           **percent of CPI.**

2  
3           As to subsection (B), the noticed increase in rent is not  
4 in excess of seventy-five percent of CPI, and therefore the  
5 petition must be denied as to the Base rent increase. The  
6 increase in base rent, as set forth in the Park's January 26,  
7 2011 Notice, is seventy-five percent of CPI, and therefore, by  
8 definition, **not** in excess of seventy-five percent of CPI. The  
9 pass-through for capital improvement expenses and the increases  
10 for increased operating expenses for ground lease rent and  
11 property taxes is a proper separate basis for a rent increase,  
12 as set forth herein.  
13

14           The Notice of Increase in Rent and the Notice of Amount of  
15 Space Rent Commencing May 1, 2011 (Exhibits A and B) clearly set  
16 forth that the Base Rent is being increased by seventy-five  
17 percent of CPI for the period at issue, May 1, 2009 through May  
18 1, 2011. The last rent increase at the Park was May 1, 2008.  
19

20           The reference in the Ordinance to the CPI index is as  
21 follows:

22           ...the percentage by which the most recently published  
23 edition of the United States Department of Labor,  
24 Bureau of Labor Statistics, Consumer Price Index for  
25 Urban Wage Earners and Clerical Workers, Los Angeles-  
26 Long Beach-Anaheim area, all items, Base Index  
27 1967=100, shows that such index has increased during  
28

1 the immediately preceding twelve months for which said  
2 index has been published at the time notice of said  
3 increase was given or since the last rent increase..

4  
5 (Ordinance, § 11A-5(a)(2).)

6 The Base Rent increase employed the 12-month increase for  
7 December, the month before the rent increase notice was given,  
8 and did it for each of the relevant years in question. The  
9 Ordinance **specifically contemplates** that the increase may cover  
10 a period for longer than one year since the last increase, by  
11 providing that the CPI adjustment is either for the CPI increase  
12 over the last year OR since the last increase. The calculations  
13 of the base rent increase may be seen in Exhibit B.

14 Accordingly, the annual Base Rent increase was 75% of CPI,  
15 so that under the terms of the Ordinance, it is mandatory that  
16 the Petition be denied as to the challenge of the increase in  
17 the base rent.  
18

19  
20 As to subsection (A), it is unknown whether the Petition in  
21 fact is supported by a homeowner majority. The Ordinance and  
22 the Rules under the Ordinance make clear that the Park may not  
23 be provided with any of the signatures on which the Petition is  
24 allegedly based, and is not allowed to even see copies of the  
25 Petition with any of the purported signatures. There is no  
26 evidence that the Clerk of the Mobilehome Rent Control Ordinance  
27 made no effort to independently verify the authenticity of any  
28

1 of the signatures on the Petition, whether or not any of the  
2 signatures were actually verified, or whether the Clerk simply  
3 engaged in a counting exercise as to the number of signatures.

1 (1) Such relevant factors may include, but are not limited to,  
2 increases in management's ordinary and necessary maintenance and  
3 operating expenses, insurance and repairs; increases in property  
4 taxes and fees and expenses in connection with operating the  
5 park; capital improvements; capital expenses; increases in  
6 services, furnishings, living space, equipment or other  
7 amenities; and expenses incidental to the purchase of the park  
8 except that evidence as to the amounts of principal and interest  
9 on loans and depreciation shall not be considered.  
10

11  
12 Accordingly, the rent increase based upon increased  
13 operating costs due to the property tax increases and  
14 ground lease increases are properly the bases for the rent  
15 increase, in addition to the capital expenses, discussed  
16 below.  
17

18  
19 II

20 THE CHARGES FOR CAPITAL EXPENSES AND CAPITAL IMPROVEMENTS  
21 MAY BE PASSED THROUGH TO THE HOMEOWNERS  
22

23 As set forth in the Notice on Rent Increase and the Nomad  
24 Village Space Rent Increase Spreadsheet, part of the temporary  
25 rent increase component is for capital expenses and improvements  
26 to be made to the Park, from a reserve fund that the Park has  
27 funded to an escrow account of \$320,000, as well as additional  
28

1 fees incurred in connection with Park improvements. These  
2 improvement projects will be ongoing, as bids are obtained and  
3 work is performed.

4  
5 The Ordinance expressly provides that the costs of capital  
6 improvements and capital expenses may properly be passed on to  
7 homeowners in the form of a rent increase, including for work to  
8 be performed in the future.

9 Section 11A-2 of the Ordinance defines Capital Improvements  
10 and Capital Expenses as follows:

11 (a) "Capital improvement" is any addition or betterment  
12 made to a mobilehome park which consists of more than mere  
13 repairs or replacement of existing facilities or  
14 improvements and which has a useful life of five or more  
15 years.

16  
17 (b) "Capital expense" is a repair or replacement of  
18 existing facilities or improvements which has an expected  
19 life of more than one year.

20  
21 Section 11A-6 of the Ordinance, which deals with Capital  
22 Improvements, provides as follows:

23 (a) Capital Improvements

24 (3) Notwithstanding any other provision to the contrary,  
25 the cost of capital improvements required by a change in  
26 governmental law or regulation may be **automatically passed**  
27 **on to homeowners** at the time of an annual increase. Any  
28

1 hearing on such costs shall be **solely** for the purpose of  
2 determining whether management's plan for compliance or for  
3 recoupment of costs is unreasonable if so alleged by  
4 homeowners.

5  
6 Subsection (b) Section 11A-6 of the Ordinance, is entitled  
7 "Capital Expenses," and has the same provisions for Capital  
8 Improvements.

9 The ordinance also makes clear that these expenses may  
10 include those to be incurred in the future.

11 Section 11A-6(b)(1)-(2) states:

12  
13 (b) Capital Expenses.

14 (1) The cost of capital expenses **incurred or**  
15 **proposed**, including reasonable financing costs, may be  
16 passed on to homeowners at the time of an annual  
17 increase.

18  
19 As noted above, capital expenses set forth in a rent  
20 increase notice may be "current or proposed" The Park then  
21 has a six-month window to **begin construction** with the money  
22 after the rent increase is approved:

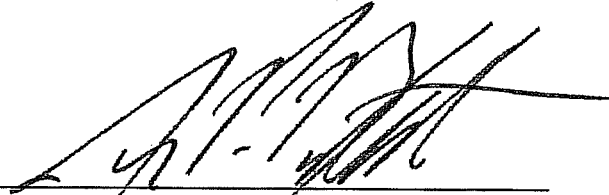

23  
24 (5) If management fails to begin construction of  
25 a capital expense item within six months after  
26 approval of the cost of the capital expense, then  
27 management shall discontinue the increase for the  
28 capital expense and shall credit any amount collected

1 to each homeowner. If management fails to  
2 automatically discontinue such increase, then such  
3 increase shall be considered an increase in the  
4 maximum rent schedule and shall be subject to all the  
5 provisions of this chapter, including, but not limited  
6 to, amount and frequency of increase.  
7

8  
9 CONCLUSION

10  
11 For the foregoing reasons, the Nomad Village rent increase  
12 was in accordance with the terms of the Ordinance, and the  
13 Petition should be denied.

**NOMAD VILLAGE  
4326 CALLE REAL  
SANTA BARBARA, CA 93110**

To: Homeowners, Nomad Village Mobilehome Park

Date: January 26, 2011

**Re: Notice of Increase in Monthly Rent Effective May 1, 2011**

Dear Homeowner:

This Notice is in accordance with the Santa Barbara County Mobilehome Rent Control Ordinance ("Ordinance") and the California Mobilehome Residency Law ("MRL"), that effective May 1, 2011, pursuant to the terms of the Ordinance, your Base-Rent for your monthly Space Rent at Nomad Village Mobilehome Park will increase by 75% of the change in the Consumer Price Index – Urban Wage Earners and Clerical Workers for the Los Angeles-Riverside-Orange County, California, for the three 12-month percentage changes for the period through December 2010 (CPI adjustments of -.6%, 2.5% and 1.6%, respectively).

There have been no rent increases whatsoever to Homeowners at Nomad Village for 3 years. The Park is also giving you the benefit of a reduction credit for one of the years.

In addition to the Base-Rent increase, your Space Rent is also being increased in accordance with the terms of the Ordinance by the amount of \$161 per space, per month; of this amount, \$102.84 will be temporary, for a period of 7 years. This increase is in accordance with the terms of the Ordinance for recoupment of expenses incurred by Park management as follows: The permanent increase is for increased operating expenses by park management for increased property taxes, and increased lease payments. The Santa Barbara County Assessor has recently tripled the property tax assessment of Nomad Village, which management has been forced to pay; management has evaluated this increase and believes it is not legal and plans to challenge the increase, and if the challenge is ultimately successful at reducing the taxes, then the Homeowners will receive a reduction in the amount of the net reduction received by the Park. The Lease payment for the Park recently doubled. The temporary increase is for costs for capital improvements and expenses that have been and are being incurred by Park Management for improvements dealing with the Park infrastructure, and for reimbursement of the increased tax and lease expense through the date of the effect of the Rent increase. These expenses incurred by the Park, totaling \$564,692.00, have been capitalized at 9% interest, amortized over 7 years, for a total monthly rent increase payable beginning May 1, 2011, and terminating April 30, 2018, in the amount of \$102.84 per space.

**EXHIBIT A**

Attached is a statement showing the specific dollar amount of your Base-Rent increase, along with the other Space Rent adjustment. This new Space Rent amount will first appear on your May 2011 rent statements.

The Park is providing the Homeowners with an **Informational Meeting** to explain the rent increase and discuss other matters relating to the Park, to be held at the **Park recreation room on Wednesday, February 16, 2011 at 6:00 P.M.** Pursuant to the terms of the Ordinance, the Park is also providing you with the following information. The increase in this Notice is greater than 75% of the increase in the Consumer Price Indices. The Park is offering the Homeowners a Meet and Confer session at the Park recreation room on February 16, 2011 at 7:30 P.M., to be held immediately following the Informational Meeting, to discuss the basis for this increase. You must send representatives to this session. If you fail to send representatives to this session, you may be forfeiting your right to a hearing to contest this increase. Your representatives may obtain information upon which this Base-Rent increase is based at the Waterhouse Management Office as of February 4. If the date for meet and confer is not convenient for your representatives, it may be possible to change that date by consulting with this office.

Should you have any question concerning this increase prior to that time, please contact this office.

Yours very truly,

NOMAD VILLAGE MANAGEMENT
