

RE: Vino et Amicis Wine Bar, LLC
165 S. Broadway, Ste 101
Orcutt, CA 93455

Vino et Amicis Wine Bar is a unique, upscale wine bar that will enhance not only Old Town Orcutt, but also the local wine industry.

Our focus will be on promoting and showcasing our smaller, local wineries, not necessarily the ones you see on every grocery store's shelves. The new up and coming winemakers who might not yet have tasting rooms will now have an outlet where they can get their label more exposure and the ones who do have tasting rooms will now have an additional venue to share their wines. We intend to feature a different winery each month where the winemakers will be invited to share and talk about their wines.

Some of the wineries who are excited about this endeavor and opportunity for our mutual growth are:

Casa Dumetz	D. Volk Wines	Martian	Presqu'ile
Cottonwood Canyon	Sans Liege	Lucas & Lewellen	Toccata
Peloton	Croma Vera	Onx	Rideau

Old Town Orcutt's revitalization has been underway for many years now and it has become a wine lover's destination. With more restaurants coming into the area, a unique wine bar like VINO et Amicis only enhances the town and will bring more people in who will also visit the restaurants and shops. Old Town Orcutt is headed in the same direction as other small communities in Santa Barbara County like Los Olivos and Los Alamos and VINO et Amicis perfectly complements the direction Old Town Orcutt is headed.
