**Recommended Actions:**

That the Board of Supervisors:

Consider Case No. 10AGP-00000-00014 for approval of one agricultural preserve replacement contract for Borel Private Bank & Trust Company, as Trustee of the Jean LeRoy Family Trust.

- A. Approve and authorize the Chair to execute agricultural preserve contract 10AGP-00000-00014. The replacement contract involves Assessor's Parcel Numbers 113-050-006 and 113-050-060 located at the intersection of Highway 166 and Bonita School Road, approximately two and a half miles west of the City of Santa Maria, Fourth Supervisorial District.
- B. Authorize recordation by the Clerk of the Board.

**Summary Text:**

The property has been in the Agricultural Preserve program since 1971 under contract 70-AP-083. The original 586.06 acre contract is comprised of five Assessor's Parcels, including APNs 113-050-006 and 113-050-060. A Certificate of Compliance (09-CC-36) recorded on January 21, 2009 as Instrument No. 2009-000-2795 established APNs 113-050-006 and 113-050-060 as one legal parcel. The owner is seeking a 314.36 acre replacement contract consisting of APNs 113-050-006 (150.64 acres) and 113-050-060 (163.72 acres). The site is planted with irrigated rotational crops. The remaining 271.7 acres of the original contract will remain in the Agricultural Preserve program. The Agricultural Preserve Advisory Committee reviewed 10AGP-00000-00014

on August 13, 2010, and found it to be consistent with the Uniform Rules for Agricultural Preserves and Farmland Security Zones.

**Background:**

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program with the intended goal of retaining land for long term agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Uniform Rules for Agricultural Preserves and Farmland Security Zones. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

**Fiscal and Facilities Impacts:**

Budgeted: Yes

**Fiscal Analysis:**

There are no fees associated with replacement contracts. The cost for the contract review and preparation of this report is estimated to be \$1,641.00, and is budgeted in the Agricultural Planning program on Page D-323 of the adopted 2010–2011 fiscal year budget.
