MEMORANDUM

TO: Honorable Board of Supervisors

FROM: Glenn Russell, Ph.D., Director, Planning & Development 

DATE: October 18, 2011

RE: Lost City Guadalupe Dunes Archaeology Project-Second Memo

Subsequent to docketing the Board Letter and first memo on this item, I was informed by the applicants that they did not intend to conduct excavations during 2011 but hoped to do so during 2012. P&D staff will continue processing the Coastal Development Permit at no cost to the applicant in order that it be in approved and in place for the 2012 fieldwork.
