accordance with the Guidelines and Plan. The NOFA will show PLHA allocations by Consortium Member. The NOFA may accept full applications for any eligible use as included in the Plan and, for housing development projects, may accept a notice of intent to apply for funds, in lieu of a full application, for projects that will be ready to commence within the next Fiscal Year and that have all other funding commitments in place necessary to complete the project with the exception of Consortium Funds or State program funds, such as the low-income housing tax credit program; provided that the applicant otherwise meets the requirements of and is ready to submit the application to the State;

 1. A review team may be convened by COUNTY and may include one or more Consortium Members;
 2. COUNTY will distribute to Consortium Members a list of applicants and, upon request by a Consortium Member, a copy of the full applications by a potential Recipient that proposes an eligible use in the Consortium Member's jurisdiction;
 3. Consult with a Consortium Member on any proposed use of CITY Funds.
- b. Consortium Members agree to the following:
 - i. Cities may direct that all or a portion of their annual PLHA allocation be used for specific use(s) to benefit their respective city or pool their funds with other Consortium Funds to fund eligible uses countywide, provided that no one eligible use will utilize less than the lesser of the CITY's total allocation for that Fiscal Year, or \$100,000. Cities that will administer the eligible use directly will be required to enter into an agreement with COUNTY;
 - ii. Cities may save or "bank" their annual allocation(s) for use in a future year for an eligible use within their City, up to a total of three years' allocations, except that COUNTY as the Lead Entity preserves the right to award CITY Funds to eligible uses without CITY's consent, if necessary to meet certain commitment and expenditure deadlines provided in the Guidelines. If, after three years of banking its funds, CITY has not identified eligible use(s) for the CITY Funds; COUNTY will include the funds in the next annual NOFA or award the funds pursuant to Section 18 (b) ii of this Agreement;
 - iii. COUNTY may, at COUNTY's discretion, set a minimum amount of funds for a particular eligible activity for example, for a public service type activity, the minimum amount may be set at \$50,000 and for a housing development project, the minimum amount may be set at \$300,000. These amounts may be revised by COUNTY as COUNTY's discretion;
 - iv. COUNTY will keep a pipeline of proposed housing development projects that includes projects identified from any notices of intent to apply received in response to the annual NOFA as described in Section 21(b)(vii) of this Agreement. Development projects will be prioritized based on project

readiness, including zoning and planning approvals, commitment of funding sources, and other considerations as outlined in the annual NOFA. Full applications will be required from the applicant or Recipient in order to be considered for an award of Consortium Funds.

- v. Consortium Funds for affordable housing new construction, rehabilitation, and preservation, unless otherwise restricted by the PLHA program, will mirror federal HOME Investment Partnerships (HOME) program's requirements for income limits, rent limits, occupancy requirements, and monitoring requirements, and PLHA funds use on projects that meet the HOME requirements may be used by the COUNTY as HOME Match as required by the HOME program. Income and rent limits for projects will be determined by COUNTY for each project funded with Consortium Funds in consideration of population served and other factors. Such restrictions will be memorialized by the execution and recordation of a COUNTY Regulatory Agreement with terms of not less than twenty (20) years for new construction and fifteen (15) years for acquisition only, or rehabilitation. Income eligibility will be established using the requirements at 24 CFR 5.609 – 612. Ongoing monitoring of the affordable developments will utilize the federal Housing Quality Standards or other required by the HOME program;
- vi. All uses of Consortium Funds are subject to approval by the COUNTY Board of Supervisors;
- vii. COUNTY will retain the percentage of the total annual Consortium Funds for administrative purposes as permitted by the PLHA program, currently set at five-percent (5%).

22. RESPONSIBILITIES OF CITY. CITY authorizes COUNTY to act as Lead Entity of the Consortium and authorizes COUNTY to administer CITY Funds pursuant to this Agreement, the Plan, and Guidelines. CITY shall, as required by the Guidelines or when otherwise requested by State HCD, provide written confirmation of CITY's participation in the Consortium and authorizes COUNTY to administer its CITY Funds. Such written authorization will be provided by the method described in the Guidelines, which may require a resolution passed CITY's governing body. CITY will not reasonably withhold executing this Agreement or passing a required resolution and will ensure that this Agreement and resolution are executed and provided by CITY to COUNTY in a timely manner to meet any deadlines imposed by State HCD as described in the Guidelines and/or PLHA Notices of Funding Availability.

INTRODUCTION

Chapter 364, Statutes of 2017 (SB 2, Atkins) was part of a 15-bill housing package aimed at addressing the state's housing shortage and high housing costs. Specifically, it establishes a permanent source of funding intended to increase the affordable housing stock in California. The revenue from SB 2 will vary from year to year, as revenue is dependent on real estate transactions with fluctuating activity. The legislation directs the California Department of Housing and Community Development (Department) to use 70 percent of the revenue collected, beginning in calendar year 2019, to provide financial assistance to local governments for eligible housing-related projects and programs to assist in addressing the unmet housing needs of their local communities. This program is hereafter referred to as the Permanent Local Housing Allocation (PLHA) program.

Guidelines for the PLHA program are organized into five Articles as follows:

Article I. General provisions: This article includes information on the purpose of the Guidelines, program objectives, and definitions used throughout the document.

Article II. Program funding: This article describes allocation formulas and methodologies, and award amounts.

Article III. Formula allocation component: This article describes the requirements for Applicants to apply for funds under the formula allocation of the PLHA program.

Article IV. Competitive allocation component: This article describes requirements and uses for PLHA competitive allocation funds.

Article V. Administration: This article describes administrative functions such as terms, non-performance remedies, and reporting and monitoring requirements.

ARTICLE I. GENERAL PROVISIONS

Section 100. Purpose and Scope

- (b) These Guidelines establish terms, conditions, and procedures for local governments to submit applications to the Department for funds from the PLHA program’s three components, as listed below:
 - (1) Entitlement formula component per HSC 50470(b)(2)(B)(i)(I)
 - (2) Non-entitlement formula component per HSC 50470(b)(2)(B)(i)(II)
 - (3) Non-entitlement competitive grant program component per HSC 50470(b)(2)(B)(i)(I) (eligible Applicants are the same as for component 2 above)

Plan

§302(c)(4) Plan

Rev. 2/26/20

§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.

The County of Santa Barbara and Cities of Goleta and Santa Maria (Consortium) will use the PLHA funds for the four (4) eligible activities identified below. The County, as the Administering Jurisdiction of the Consortium issues one or more Notices of Funding Availability (NOFA) to award funds under federal, local, and other State funding sources. PLHA funds will be included in one or more NOFAs to solicit eligible applicants to carry out programs and developments using PLHA funds alone, or in combination with other funds. The PLHA Consortium members will advise the County on the uses of their cities' funds in accordance with the PLHA Plan. In addition, the County will utilize one or more review committees, depending on the type of program or development being reviewed. The County's Continuum of Care Rank and Review Committee reviews, scores, and ranks applications related to homeless assistance; the Human Services Commission reviews, scores, and ranks applications related to other public services (homeless and non-homeless programs), and the Capital Loan Committee reviews the financial feasibility of housing development and other capital projects. Funding recommendations made by staff and committees are taken to the County Board of Supervisors for final awards. The County will enter into agreements with the subrecipients and housing developers and will monitor programs and projects to ensure compliance with PLHA Guidelines.

§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

The Santa Barbara County PLHA Consortium will prioritize investments of PLHA funds to increase the supply of housing for households earning up to 60% by including the Eligible Activity described in Section 301(a)(1) - funding the development of multifamily rental housing projects designed to be affordable to extremely low income households earning up to 60% of the Area Median Income in the PLHA Plan. 45% of the Consortium's PLHA allocation will be allocated to this activity as we recognize the growing need for this type of investment within our community.

§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.

Addressing Program 1.2, the County shall continue, and where feasible, expand its public partnership with Non-profit housing providers. These partnerships are specifically leveraged to provide additional housing opportunities which are affordable at extremely low-income levels. The County PLHA Consortium recognizes Program 1.13 with the construction of Accessory Dwelling Units, and the County shall continue to promote the creation of additional housing stock within the local housing market areas encouraging the development of housing types which help to meet the full spectrum of the County's housing needs. The County's PLHA Plan is consistent with Program 4.4 of the existing Housing Element allowing the County to continue to work with non-profit organizations to implement a housing rehabilitation program for low-income homeowners. A portion of the PLHA allocation will be used toward meeting the goals of Program 4.5 within our Housing Element with the proposed Down Payment Assistance Program and support County and private non-profit programs which provide "soft" second mortgages or other financial tools to assist Moderate-income and Low-income home buyers. And the Consortium's combined allocation will assist in meeting the goals proposed in Program 5.2 of our Housing Element by contributing to the effort of the County to pursue further partnership programs such as the 10-year Plan to End Chronic Homelessness.
