Title: BWell North County Crisis Residential Treatment (CRT) Facility Project Matching

Budget Action: Establish Appropriations of \$4,938,375 in General Services Capital Outlay Fund for Capital Assets funded by release of Committed General Services Projects fund balance of \$2,939,797 and an operating transfer of \$1,998,578 from Behavioral Wellness Headquarters Project to Behavioral Wellness North County Crisis Residential Treatment Facility Project.

Justification: This BJE is intended to establish the initial matching funds for the Behavioral Wellness North County Crisis Residential Treatment (CRT) Facility Project. The matching funds are to access a \$20M State Grant awarded for this project. Matching funds will include funds previously allocated toward the Behavioral Wellness Headquarters (\$4,938,375).

The purpose of this project is to provide the North County community and greater Central California region with a new Crisis Residential Treatment (CRT) Facility that expands access to short-term, supportive mental health services in a safe, therapeutic, and community-oriented environment. The Project will deliver a 32-bed residential treatment facility consisting of two (2) independent 16-bed programs within a single building, designed to support stabilization, recovery, and transition through residential accommodations, treatment and support spaces, indoor community areas, and outdoor recreational amenities.
