The term "formal written notice" as used in this Agreement shall mean that kind and method of notice which must legally be given to the owner of the Subject Property, but shall not mean notice by publication.

Except for the disclosure requirements of this Section 9 and the representations and warranties provided elsewhere in this Agreement, DISTRICT is purchasing the Subject Property "as is" without further representations or warranties of OWNERS.

As an inducement to OWNERS to enter into this Agreement and Close the Escrow, DISTRICT understands, acknowledges and agrees that the sale of the Property to DISTRICT is made on an "as is, where is, with all faults" basis and except as may be expressly provided herein, OWNERS make no representations, warranties, statements or promises as to the environmental (including ground water) or physical condition of the Property, its zoning, permitted uses, size, developability, compliance with law, or any other matter or thing whatsoever. Without limiting the generality of the foregoing, OWNERS hereby advise DISTRICT that the Property was the subject of prior fires and mudslides which may have resulted in fire retardants and other chemicals and substances coming onto the Property. DISTRICT shall perform such investigations as to the history, current condition and other aspects of the Property including, without limitation its suitability for the purposes for which DISTRICT intends to use the same and in no event shall any claim or cause of action be made by DISTRICT or its successors and assigns against OWNERS arising out of the condition of the Property or any other matter addressed above.

DISTRICT shall complete such inspections and testing by or before the Contingency Date and shall restore all areas of the Subject Property to its pre-test and pre-inspection condition as near as is practicable. DISTRICT may conduct tree trimming and removal activities only after the Contingency Date or the date that all contingencies in this Agreement are removed by DISTRICT.

If any toxins or contaminants are discovered, DISTRICT shall notify OWNERS immediately and OWNERS shall have the right, but not the responsibility to take any actions in response to such notifications that it deems necessary in its sole and absolute discretion. If DISTRICT elects to proceed under clause (ii) above, OWNERS shall not compromise, settle or adjust any claims to such proceeds without DISTRICT's prior written consent.

In the event the Subject Property is damaged but the damage does not qualify as material (as defined herein) DISTRICT shall receive an assignment of OWNERS' right to any insurance proceeds payable by reason of such damage or destruction and a credit at Closing for any deductible under OWNERS' insurance policies.

For the purpose of this Paragraph 11, damage to the Subject Property shall be deemed to be "material", or involve a material portion, if the cost of restoration or repair of such damage exceeds \$20,000.

12.
