SUBJECT: County Employee Service Awards

Recommendation(s):

That the Board of Supervisors:

Officially recognize employees with 10, 15, 20, 25, 30, 35, and 40 years of service achieved in 2001 per the attached resolution adopted by your Board on February 12, 2002 and present service awards to South County employees in categories of 20 years of service and over and elected officials in categories of 10 years of service and over.

Alignment with Board Strategic Plan:

This recommendation is primarily aligned with Goal No. III. A Strong, Professionally Managed County Organization.

Executive Summary and Discussion:

On January 25, 2000 your Board reinstated its former program of recognition for employees who have provided longstanding service to the County. Employees, department heads and elected officials with 10, 15, 20, 25, 30, and 40 years of service are eligible to receive an award.

This year there are 461 employees who will receive such awards, of which 152 employees have served the County for 20, 25, 30, 35, and 40 years, including 7 department heads and elected officials with 10 or more years service. Of these 152 long-term employees, those who attend will receive an award personally from you at one of two Board meetings to be held in Santa Maria on February 12, 2002, and Santa Barbara on February 26, 2002. Approximately 60 employees will be personally receiving awards at the board meeting in Santa Barbara.

Receptions hosted by the Executive and Management Associations will follow the presentations in the Board Conference Rooms after the award ceremonies. The Santa Barbara ceremony will be conducted at 2:00 p.m.

The County is very fortunate to have the many employees represented on the attached resolution who have clearly demonstrated their loyalty and dedication to public service.

Mandates and Service Levels:

This additional level of service was added last year by the Personnel Department.

Fiscal and Facilities Impacts:

The cost for this program has already been budgeted in the Personnel Department.
