Santa Barbara County Code
November 29, 2022
Hearing begins at 9:00 A.M.

On November 29, 2022, the Board of Supervisors (Board) will conduct a public hearing to consider the adoption of local amendments, Chapter 10 Building Regulations of the Santa Barbara County Code, to the 2022 California Building Standards Code. Every three years, the California Building Standards Commission adopts the California Building Standards Code (California Code of Regulations Title 24). Local governments or jurisdictions can modify the code to add more restrictive provisions based on their specific local geologic, climatic, and topographic conditions. The County's local amendments will become effective on January 6, 2023. Projects submitted for a permit on or after January 1, 2023 must be designed to the 2022 edition of the California Building Standards Code as adopted and amended by Chapter 10. Amendments that address local topographic and climatic conditions which create fire hazards, high wind and seismicity are being carried forward from the current local amendments.

The Board hearing begins at 9:00 A.M. The order of items listed on the agenda is subject to change by the Clerk of the Board. Please see the posted agenda and staff report available on the Thursday prior to the meeting at <https://santabarbara.legistar.com/Calendar.aspx#> under the hearing date.
