I. PAYMENT FOR SERVICES

- A. Performance of Services. Contractor shall be compensated on a cost reimbursement basis for provision of the Units of Service (UOS) established in the Provider Workbook

EIGHTH AMENDMENT

based on satisfactory performance of the alcohol and drug program services described in Exhibit A and the Provider Workbook. County recognizes that the services provided by Contractor's Program described in Exhibit A and the Provider Workbook will be provided to individuals who are not Drug Medi-Cal eligible and such services will be reimbursed by other State, Federal, and County funds only to the extent specified in the Provider Workbook.

- B. Limitations on Use of Funds Received Pursuant to this Agreement. Contractor shall use the funds provided by County exclusively for the purposes of performing the services described in Exhibit A and the Provider Workbook to this Agreement. Expenses shall comply with the requirements established in OMB A-87 and applicable regulations. Violation of this provision or use of County funds for purposes other than those described in Exhibit A shall constitute a material breach of this Agreement.

II. MAXIMUM CONTRACT AMOUNT.

- A. The Maximum Contract Amount has been calculated based on the total UOS to be provided pursuant to this Agreement as set forth in the Provider Workbook and shall not exceed \$266709. The Maximum Contract Amount shall consist of County, State, and/or Federal funds as shown in the Provider Workbook. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

III. OPERATING BUDGET AND PROVISIONAL RATE

- A. Operating Budget. Prior to the Effective Date of this Agreement, Contractor shall provide County with an Operating Budget on a format acceptable to, or provided by County.
- B. Provisional Rate. County agrees to reimburse Contractor at a Provisional Rate (the "Provisional Rate") during the term of this Agreement. The Provisional Rate shall be established as follows:
1. For Rehabilitative Ambulatory Intensive Outpatient (Day Care Rehabilitative), Rehabilitative/Ambulatory Outpatient or Outpatient Drug Free (ODF) - Group, and Rehabilitative/Ambulatory ODF – Individual service codes, the provisional rate shall be the current Drug Medi-Cal Schedule of Maximum Allowances (SMA) rates as determined by the State budget process;
 2. For all other services, the rate or billing increment shall be as reflected in the Provider Workbook.

At any time during the term of this Agreement, Director shall have the option to adjust the Provisional Rate to a rate based on allowable costs less all applicable revenues, as reflected in Contractor's approved Operating Budget. Payment will be based on the UOS accepted into the County's MIS system on a monthly basis.

- C. Adjustment of Provisional Rates. Contractor acknowledges that the Provisional Rates shall be adjusted at the time of the settlement specified in this Exhibit B, Section VIII (Pre-Audit

EIGHTH AMENDMENT

Cost Report Settlement).

IV. ADDITIONAL PROGRAM REQUIREMENTS. Contractors who provide services to patients not eligible for Drug Medi-Cal or provide programs not covered by Drug Medi-Cal, shall be subject to the following requirements:

- A. Fee Collection. In accepting funding from County, Contractor agrees to assess client fees toward the cost of treatment in accordance with Health and Safety Code Section 11841. Such fee collection shall be based on Contractor's determination of a client's ability to pay, Per Exhibit B-2. In no case shall any client be refused services due to the inability to pay. Fees charged shall not exceed the actual cost for services provided. Such fees shall be:
1. Deducted from the alcohol and drug treatment program's cost of providing services as part of the Pre-audit Cost Report Settlement (Section VIII);
 2. Identified and reported to County on the Contractor's monthly invoice, Contractor's budget, and annual year-end cost report.

All fees collected by Contractor must be separately identified for audit purposes and treated as placement fees. Contractor agrees to provide County with a copy of Contractor's Fee Collection policy. County shall monitor to assure that Contractor's assessment and collection of fees, however executed, are coordinated in a manner that avoids duplication, ensures that all fees are accounted for by Contractor and are used to offset the cost of Contractor's services. All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of alcohol and drug program services specified in this Agreement.

- B. Restrictions on Use of Funds. In accordance with 9 CCR Section 9530 (Substance Abuse Crime Prevention Act (SACPA)), Contractor will obtain written approval from County prior to commencement of any alterations and/or renovation, construction, leasehold improvements, and equipment purchases. In no event will Contractor use State or Federal funds to purchase land or purchase or construct buildings. With the exception of specific requirements included in 9 CCR Section 9530 (g), (h) and (i) determination of allowable and allocable costs for SACPA funding shall be made utilizing the guidelines contained in SACPA and in cost principles published by the Federal Office of Management and Budget (OMB). Contractor agrees to follow OMB Circular A 87, "Cost Principles for State, Local, and Indian Tribal Governments."
- C. Maintenance of Effort. Contractor agrees to maintain services, programs, and activity levels that existed prior to receipt of funds under this Agreement. Any State or Federal funds, including SACPA funds, received by Contractor under this Agreement will supplement, not supplant, pre-existing expenditures for drug treatment, prevention, ancillary services, or any other services that may be funded by County.

In accordance with Title 9, CCR, Section 9530(k) (2), County shall monitor Contractor's program(s) and document activities to ensure that funds received by Contractor are not used to supplant funds from any existing fund source or mechanism currently used to provide drug

EIGHTH AMENDMENT

treatment services in the county.

- D. Match Requirements. In accepting funding from County, Contractor may be required to provide a match per year, as described in the Provider Workbook. Such matching funds shall be separately identified for audit purposes, used to supplement and/or enhance program services as described in Exhibit A. These match funds shall be identified and reported to County on Contractor's monthly invoice and annual year-end Cost Report. County shall monitor to assure that Contractor's match requirements, however executed, are coordinated in a manner that avoids duplication, ensures that Contractor has accounted for them, and that they are used to supplement and/or enhance the program services funded hereunder.

V. REALLOCATION OF PROGRAM FUNDING

Contractor shall make written application to Director, or designee, in advance, to reallocate funds as outlined in the Provider Workbook between programs (Projects) or funding sources, for the purpose of meeting specific program (Project) needs or for providing continuity of care to its clients. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Director's, or designee's, decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor.

VI. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS:

- A. Internal Procedures. Contractor shall maintain internal financial controls which adequately ensure proper recording, classification, and allocation of expenses, and billing and collection procedures. Contractor's procedures shall specifically provide for the identification of delinquent accounts and methods for pursuing such accounts.
- B. Submission of Claims and Invoices:
1. Claims for Rehabilitative Ambulatory Intensive Outpatient (Day Care Rehabilitative), Rehabilitative/Ambulatory Outpatient or ODF - Group, and Rehabilitative/Ambulatory ODF – Individual service codes, are to be entered into the County's Management Information System (MIS) within 10 calendar days of the end of the month in which alcohol and drug program services are delivered, although late claims may be submitted as needed in accordance with State and Federal regulations. In addition to claims submitted in MIS, Contractor shall submit an invoice within 10 calendar days of the end of the month in which alcohol and drug program services are delivered that:
i) summarizes the information submitted to MIS, including the UOS provided for the month, ii) states the amount owed by County, and iii) includes the contract number and signature of Contractor's authorized representative. Invoices shall be delivered electronically to adpfinance@co.santa-barbara.ca.us. Backup documentation shall be submitted on a form acceptable to or provided by the County, if applicable.
 2. Claims for all other services, described in Exhibit A and the Provider Workbook, shall be delivered electronically to adpfinance@co.santa-barbara.ca.us within 10 calendar days of the end of the month in which alcohol and drug services are delivered and

EIGHTH AMENDMENT

shall include: i) sufficient detail and supporting documentation to enable an audit of the charges, ii) the amount owed by County, and iii) the contract number and signature of Contractor's authorized representative.

Contractor agrees that it shall be solely liable and responsible for all data and information submitted by the County to the State on behalf of Contractor. Payment will be based on the UOS accepted into MIS on a monthly basis.

The Director or designee shall review the monthly claim(s) and invoice to confirm accuracy of the data submitted. With the exception of the final month's payment under this Agreement, County shall make provisional payment for approved claims within 30 calendar days of the receipt of said claim(s) and invoice by County subject to the contractual limitations set forth below.

- C. Maximum Monthly and Year-to-Date Payment Limitations: The County's monthly payment(s) to Contractor shall be made in a manner that ensures variations in service/activity levels from month-to-month are recognized. Accordingly, an overage in actual services/activities from the Maximum Monthly Payment amount (Maximum Contract Amount divided by the number of months covered by the contract) in one month can be applied to offset any underage in actual services/activities in another month(s), so that Contractor will be paid up to one-twelfth (1/12) of the total contract maximum per month. Any services offered in excess of the one-twelfth amount will be adjusted quarterly such that the total amount paid per quarter will be equal to the value of one quarter of the Maximum Contract Amount.
- D. Monthly Expenditure, Revenue, and Projection Report. Contractor shall submit a monthly Expenditure, Revenue, and Projection Report as described in the Reports Section of Exhibit A to this Agreement.
- E. Withholding of Payment for Non-submission of MIS and Other Information. If any required MIS data, invoice or report(s) is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Director or designee. Director or designee shall review such submitted service data within 60 calendar days of receipt.
- F. Withholding of Payment for Unsatisfactory Clinical Work. Director or designee will deny payment for services when documentation of clinical work does not meet minimum State and County written standards.
- G. No Payment for Services Provided Following Expiration/ Termination of Contract. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not

EIGHTH AMENDMENT

constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

- H. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into the County's MIS System for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.
- I. Tracking of Expenses. Contractor shall inform County when seventy-five percent (75%) of the Maximum Contract Amount has been incurred based upon Contractor's own billing records. Contractor shall send such notice to those persons and addresses which are set forth in the Agreement, Section 2 (NOTICES).

VII. COST REPORT

- A. Submission of Cost Report. Within forty-five (45) days after the close of the Fiscal Year covered by this Agreement, Contractor shall provide County with an accurate and complete Annual Cost Report with a statement of expenses and revenue for the prior fiscal year. The Annual Cost Report shall be prepared by Contractor in accordance with all applicable Federal, State and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by Contractor shall be reported in its annual Cost Report, and shall be used to offset gross cost. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Director or designee upon reasonable notice.
- B. Cost Report to be Used for Settlement. The Cost Report shall be the final financial and statistical report submitted by Contractor to County, and shall serve as the basis for settlement to Contractor, as described in Sections VIII and IX of this Exhibit B. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Withholding Payment. County shall withhold the final month's payment under this Agreement until such time that Contractor submits its complete Annual Cost Report.
- D. Penalties. In addition, failure of Contractor to submit accurate and complete Annual Cost Report(s) by the ninetieth (90th) day after the close of the Fiscal Year or the expiration or termination date of this Agreement shall result in:
 - 1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the ninety-first (91st) day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement. County shall deduct the Late Penalty assessed against Contractor from the final month's payment due under the Agreement.

EIGHTH AMENDMENT

2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred twentieth (120th) day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement, then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be repaid by Contractor to County. Further, County shall terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.

VIII. PREAUDIT COST REPORT SETTLEMENT.

- A. Preaudit Cost Report Settlement. Based on the Annual Cost Report(s) submitted pursuant to this Exhibit B Section VII (Cost Reports) and approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the State and County will perform a pre-audit cost report settlement. Such settlement will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. Settlement shall also be adjusted to the lower of:
 1. Contractor's published charge(s) to the general public;
 2. The Contractor's actual costs;
 3. The State's Schedule of Maximum Allowances for Drug Medi-Cal Rehabilitative Ambulatory Intensive Outpatient (Day Care Rehabilitative), Rehabilitative/Ambulatory Outpatient or ODF - Group, and Rehabilitative/Ambulatory ODF – Individual service codes;
