

BREEZE ROUTE 100
MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITIES OF SANTA MARIA AND LOMPOC,
THE COUNTY OF SANTA BARBARA AND
THE SANTA BARBARA COUNTY ASSOCIATION OF GOVERNMENTS

**Regarding Continuation of the Breeze Route 100 Project to
Provide Regular, Fixed-Route, Public Transit Service between
Santa Maria and Lompoc**

Effective Date: On or about July 1, 2014

This Memorandum of Understanding (MOU) is entered into between the City of Santa Maria, a municipal corporation ("Santa Maria"), the City of Lompoc, a municipal corporation ("Lompoc") and the County of Santa Barbara, a local governmental State agency (the "County"), **collectively referred to herein as "FUNDING PARTNERS"**, and the Santa Barbara County Association of Governments, a public body, hereinafter referred to as "SBCAG," all collectively sometimes referred to herein as **"PARTIES" or "The PARTIES"** and individually as "PARTY" for the purpose of defining agency roles, responsibilities, and commitments in conjunction with the continuation of a project to provide regular, fixed-route public transportation service on the Highway 1/135 corridor between Lompoc and Santa Maria.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, **The PARTIES** agree as follows:

1. Project Description

The Breeze Route 100 Continuation Project ("PROJECT") will provide regularly-scheduled, fixed-route, intercity bus service between Santa Maria and Lompoc. The PROJECT will be open to the public, for all trip purposes, and will be fully accessible to persons with disabilities. Santa Maria in coordination with Lompoc and the County will operate the service. The service will continue approximately sixty (60) additional months, commencing on July 1, 2014 or on the date when all PARTIES have signed the MOU, whichever occurs later, and remaining in effect until June 30, 2019, contingent on the availability of funding.

2. Lead Agency

Santa Maria shall be the sole administrator of the PROJECT and shall be responsible for service contracting with a qualified bus operator ("CONTRACTOR") and compliance with all federal and state requirements.

3. Service Proposal

This MOU contains the budget, funding obligations, and performance requirements for the PROJECT. Annual performance measures for the term of the PROJECT will provide thresholds to gauge the PROJECT's performance. If the service is failing to meet one or more performance measures, then reasonable efforts will be made to modify the service to improve performance. The service may also be discontinued by termination of the MOU after reasonable efforts have been made.

4. Procurement of Insurance Coverage and Indemnification

THE PARTIES agree to procure and maintain liability insurance in an amount sufficient to protect against claims that may be filed against **THE PARTIES** for the services they provide, or **THE PARTIES** may elect to self-insure against such claims as provided by their respective government policies.

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the parties pursuant to Government Code Section 895.6, **THE PARTIES** agree all losses or liabilities incurred by a **PARTY** shall not be shared pro rata but instead **THE PARTIES** agree pursuant to Government Code Section 895.4, each **PARTY** hereto shall fully indemnify and hold each of the other **PARTIES**, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying **PARTY**, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to that **PARTY** under this Agreement. No **PARTY**, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of other **PARTIES** hereto, their officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such other **PARTIES** under this Agreement.

5. Contractor Insurance

Santa Maria shall require the CONTRACTOR of the PROJECT to comply with the indemnity and insurance requirements specified in Attachment A and provide all **PARTIES** with copies of the Certificates of Insurance, including the endorsement(s) naming **THE PARTIES** as additional insureds.

6. Nondiscrimination

Santa Maria shall require CONTRACTOR of the PROJECT to comply with the nondiscrimination requirements of funding agencies, including the following nondiscrimination language insofar as consistent with those requirements:

During the performance of this Agreement, CONTRACTOR and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee,

applicant for employment or service customer because legally protected characteristics or conduct including sex, race, color, ancestry, religious creed, national origin, physical disability, medical condition, age, or marital status. Contractor shall insure that the evaluation and treatment of their employees, applicants for employment and service customers are free from such discrimination

7. Service Plan

The PROJECT will operate five days a week, Monday through Friday. To the extent practicable, the services will provide for efficient interlinking connections between Santa Maria Area Transit (SMAT), City of Lompoc Transit (COLT), the Wine Country Express, and other transit services.

The PROJECT will provide eight (8) round-trips per weekday. The service will operate generally between the transit center in Santa Maria and the Lompoc Transit Facility with stops at intermediate locations including a stop at Vandenberg Air Force Base.

8. Funding

The FUNDING PARTNERS will share equally in the net costs associated with the PROJECT, after deducting all passenger and other operating revenue and Federal Transit Administration grants, even if goal of \$180,000 per FUNDING PARTNER's net cost (stated in Paragraph 13) is exceeded.

The primary source of funding for the PROJECT will be Transportation Development Act funds designated by Santa Maria, Lompoc and the County, or other funding if it becomes available.

Santa Maria will, on a monthly basis, invoice the other **FUNDING PARTNERS** for actual net operating costs, after deducting all passenger and other operating revenue and any state or federal grants. The invoice should clearly detail monthly expenditures and revenues applied to the program in determining the "net program" costs. It should also demonstrate the allocation of net costs to each participating agency. Each local agency shall indicate, with each payment, the source(s) of funding used to make the payment. Payment shall be due thirty (30) days after the date of the invoice. Lompoc and the County have the option of including funding for the PROJECT in their annual Transportation Development Act claims so that SBCAG may make a direct payment of Transportation Development Act funds for the PROJECT to Santa Maria instead of monthly invoicing.

FUNDING PARTNERS agree to annually commit estimated amount of Transportation Development Act contribution for the operation of the PROJECT when SBCAG publishes the Annual Transportation Development Act Apportionment. The Working Group in Section 12 can make recommendations to adjust to the Transportation Development Act contribution from each of the **FUNDING PARTNERS** for the approval of the Policy Committee. This allocation is subject to

final budget approval by Santa Maria and Lompoc's City Councils and the County's Board of Supervisors.

9. Securing Funding

With assistance from SBCAG, the **FUNDING PARTNERS** will work cooperatively to pursue other federal or state grant opportunities where appropriate for the PROJECT in order to augment or reduce Transportation Development Act and local funds needed for continuation of the service.

Santa Maria will be responsible for submitting grant applications.

If a local match is required to receive grant funding, then the **FUNDING PARTNERS** will share equally in the matching funds needed to meet the required local match, and will execute the necessary paperwork to facilitate receipt of grants.

10. Reporting

Santa Maria shall submit or have CONTRACTOR prepare and submit report(s) to the PARTIES that demonstrate compliance with this Agreement.

11. Records, Audit and Review

Santa Maria shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent transit operator, and where necessary shall require CONTRACTOR to keep such records, and shall maintain or require the maintenance of such records for at least five (5) years following the termination of this Agreement. Such records shall include documents necessary to show compliance with Paragraph 13 "Performance Measures." All accounting records shall be kept in accordance with generally accepted accounting principles. Any **PARTY** shall have the right to audit and review all such documents and records at any time during Santa Maria's or CONTRACTOR's regular business hours upon reasonable notice.

12. Policy Committee and Working Group

The Policy Committee for the PROJECT shall consist of the following individuals or such successors as may be appointed by the local agency representatives:

- The County Supervisor (appointed by Board of Supervisors)
- Lompoc City Council representative on the SBCAG board
- Santa Maria City Council representative on the SBCAG board
- SBCAG (Ex-officio)

The SBCAG Executive Director or designee will be an ex-officio (non-voting) representative on the Policy Committee. The Policy Committee shall meet a

minimum of once a year to review and approve interagency agreements, budgets, and service plans, including fare structures, for the following year.

A Working Group will be established consisting of staff representatives of the following agencies:

- Santa Maria
- County
- Lompoc
- SBCAG (Ex-officio)(non-voting)

The Working Group will assist in the development and evaluation of detailed service plans, routes, schedules, budget, performance measures, and other service details. The Working Group shall be appraised on the selection of the service contractor by Santa Maria.

Pursuant to the Brown Act, SBCAG staff will serve as staff to the Policy Committee and will prepare and make meeting agendas and materials available to the public.

SBCAG staff will also serve as staff to the Working Group.

13. Performance Measures

The Working Group, as established in Section 12, shall develop performance measures and evaluate the effectiveness of the service based on the following performance measures:

- farebox recovery ratio (goal of 20%)
- operating cost per passenger
- operating cost per vehicle service hour
- passengers per vehicle service hour
- passengers per vehicle service mile
- passengers per trip
- net operating cost per each of the **FUNDING PARTNERS** (annual goal of \$180,000 or less over term of MOU)

As required by the Federal Transit Administration, Santa Maria, as the administrator of the service will collect and report financial (operating expenses) and non-financial (ridership) data to the National Transit Database. Santa Maria will track data for the PROJECT separately.

The Working group for the PROJECT will evaluate performance reports prepared by Santa Maria based on performance indicators for the service bi-annually.

14. Bus Equipment

The PROJECT service will utilize Americans with Disabilities Act (ADA) compliant transit buses suitable for freeway operations.

If Santa Maria utilizes an existing bus from another agency, possession of the vehicle title shall be transferred to Santa Maria.

If Santa Maria purchases a new bus, it shall be registered to Santa Maria, for the specific use of the service. If the bus is sold as a result of termination of this Agreement, all proceeds from the sale shall be equally split among the then current FUNDING PARTNERS of the respective service.

15. Service Contracting

Santa Maria will prepare any Request for Proposals (RFP) needed for the provision of operating services by a CONTRACTOR for the PROJECT. The RFP shall meet all applicable federal requirements. The Working Group will review and provide input on the scope of work. Alternatively, with the approval of the Working Group, Santa Maria may amend an existing transit service contract to provide the PROJECT service. Santa Maria will also be responsible for the sale of advertising, if any, on the PROJECT.

16. Fares

One-way fares for the service will be set initially at \$2.00 for adults and \$1.00 for seniors and persons with disabilities. Monthly passes will be set initially at \$75 for adults and \$37.50 for seniors and persons with disabilities. All local transit agencies will work together to insure that transfers are free from the intercommunity service to local systems. Fare changes shall be subject to approval by the Policy Committee. Santa Maria, in coordination with **FUNDING PARTNERS** will hold the required hearing prior to implementing any fare changes to the service.

The Policy Committees for the PROJECT Service shall determine the inter-service transfer fare per recommendation from the PROJECT Working Groups.

17. Marketing

Marketing activities, promotional materials, printed schedules, etc. will be developed by Santa Maria. Marketing costs are included in the anticipated annual operating cost as stated in Section 13 – Performance Measures. All **PARTIES** to this MOU will work cooperatively to develop marketing strategies that maximize ridership and effectiveness of the services. The service will be promoted by all **PARTIES**. All **PARTIES** will post the service schedule and other information on their websites. SBCAG's existing guaranteed-ride-home program will be available to users of the service through the Traffic Solutions program. The guaranteed-ride-home service is not the responsibility of the **FUNDING PARTNERS** and is not a part of this agreement.

18. Long-Term Continuation of Service

The Working Group shall evaluate the PROJECT annually. At the end of four years of service, the Working Group will evaluate the service and if warranted by the performance of the bus service, based on measures included in Section 13, develop a plan for the continuation and cost sharing of the service for review by the Policy Committee. The Policy Committee shall recommend whether to continue or discontinue the service.

19. Amendment

This Agreement may be amended or extended only by the written consent of all **PARTIES**.

20. Termination

Any **PARTY** to this MOU may terminate its participation under this Agreement by giving 90 days written notification to the other **PARTIES**.

21. Integration

This Agreement represents the entire and integrated Agreement between **THE PARTIES** and supersedes any and all other negotiations, representations, and/or agreements, either oral or in writing, between **THE PARTIES** hereto with respect to the subject matter hereof, and no other agreement, statement or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

22. California Law to Apply.

This Agreement shall be construed under and in accordance with the laws of the State of California. All obligations created under this Agreement are performable in California.

23. Jurisdiction

Jurisdiction and venue of all lawsuits over the terms of this Agreement shall be in the superior court of Santa Barbara County, State of California.

24. Warranty of Authority

Each person signing this Agreement on behalf of a **PARTY** warrants that he or she has authority to do so.

25. Waivers

The waiver by any **PARTY** to this Agreement of any term, covenant, or condition of this Agreement or of any provision, ordinance, or law, shall not be deemed to be a continuing waiver of such term, covenant, condition, or law, or of any subsequent breach or violation of the same, or of any other term, covenant, and ordinance of law. Failure to enforce with respect to a default shall not be construed as a waiver.

26. Severability

The provisions of this Agreement are severable. If any part of this Agreement is held invalid by a court of competent jurisdiction, then the remainder of the Agreement shall remain in full force and effect unless amended or modified by mutual written consent of **THE PARTIES**.

27. Points of Contact

All notices referenced in this Agreement shall be in writing and shall be given by first class mail addressed as follows, or at such other address or to such person **THE PARTIES** may from time to time designate in writing:

City of Santa Maria

Transit Services Manager
110 South Pine Street, Suite 101
Santa Maria, CA 93458

City of Lompoc

Public Works Director
100 Civic Center Plaza
Lompoc, CA 93436

Attachment A

CONTRACTOR shall comply with the following requirements. CONTRACTOR shall not subcontract any services provided under this Agreement without the written consent of the City of Santa Maria and full compliance by any subcontractor with the requirements of this Agreement.

1. Indemnification –CONTRACTOR (TRANSPORTATION COMPANY) agrees to indemnify, defend (with counsel reasonably approved by legal counsel for **THE PARTIES**) and hold harmless **THE PARTIES** and their authorized officers, employees, agents and volunteers from and against any and all claims, actions, losses, damages, and/or liability arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses (including but not limited to attorneys' fees) incurred by **THE PARTIES** on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. CONTRACTOR shall notify **THE PARTIES** immediately in the event of any accident or injury arising out of or in connection with this Agreement. This Indemnification provision shall survive any expiration or termination of this Agreement.

2. Insurance. Insurance Specifications –CONTRACTOR agrees to provide insurance set forth in accordance with the requirements herein. If CONTRACTOR uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, CONTRACTOR agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services.

Without in any way affecting the indemnity herein provided and in addition thereto, CONTRACTOR shall secure and maintain throughout the Agreement term the following types of insurance with limits as shown:

A Workers' Compensation/Employers Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with one million dollar (\$1,000,000) limits

covering all persons including volunteers providing services on behalf of CONTRACTOR and all risks to such persons under this Agreement.

If CONTRACTOR has no employees, it may certify or warrant to **THE PARTIES** that it does not currently have any employees or individuals who are defined as “employees” under the Labor Code and the requirement for Workers’ Compensation coverage will be waived by the County’s Risk Manager.

B. Commercial/General Liability Insurance –CONTRACTOR shall carry General Liability Insurance covering all operations performed by or on behalf of CONTRACTOR providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000) per occurrence and a two million dollar (\$2,000,000) general aggregate limit.

C. Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than three million dollars (\$3,000,000) for bodily injury and property damage, per occurrence.

D. Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a “dropdown” provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability. An Additional Insured Endorsement shall be provided on the Umbrella policy as it relates to the primary policies requiring an Additional Insured Endorsement.

3. Additional Insured – All policies, except for the Workers’ Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming and their officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for **THE PARTIES** to vicarious liability but shall allow

coverage for **THE PARTIES** to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

4. Waiver of Subrogation Rights –CONTRACTOR shall require the carriers of required coverages to waive all rights of subrogation against **THE PARTIES**, their officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit CONTRACTOR and CONTRACTOR's employees or agents from waiving the right of subrogation prior to a loss or claim. SUBCONTRACTOR hereby waives all rights of subrogation against **THE PARTIES**.

5. Policies Primary and Non-Contributory – All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by **THE PARTIES**.

6. Severability of Interests –CONTRACTOR agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between CONTRACTOR and **THE PARTIES** or between any FUNDING PARTNER and any other insured or additional insured under the policy.

7. Proof of Coverage –CONTRACTOR shall furnish Certificates of Insurance to the CITY OF SANTA MARIA Department administering the Agreement evidencing the insurance coverage, including Additional Insured Endorsements, as required, prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and CONTRACTOR shall maintain such insurance from the time CONTRACTOR commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Agreement, CONTRACTOR shall furnish a copy of the Declaration page for all applicable policies and will provide complete copies of the policies and endorsements immediately upon request.

8. Acceptability of Insurance Carrier – Unless otherwise approved by **THE PARTIES**, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".

9. Deductibles and Self-Insured Retention – Any and all deductibles in excess of \$10,000 shall be declared to the **THE PARTIES**. A Self-Insured Retention is not acceptable.
