WHEREAS, the Board of Supervisors of the County of Santa Barbara has heretofore established County Service Area No. 12 in the Mission Canyon Area of the unincorporated territory of the County to operate and maintain the public community sewer systems in that portion of County Service Area No. 12 where hook-ups to a community public system were required on or before September 1, 1987, and further to administer requirements for installation and use of private wastewater disposal systems in those portions of County Service Area No. 12 where such private systems now or hereafter are permitted and required; and

WHEREAS, the Board of Supervisors of the County of Santa Barbara has heretofore adopted Ordinance No. 3574, which among other things, establishes procedures for collecting various charges for the services to be rendered by County Service Area No. 12, in accordance with Government Code Sections 25210.77a through 25210.77f, and provides for periodic setting of the amount of such charges to cover the actual cost of services rendered, by Resolution of the Board of Supervisors; and

WHEREAS, such services include providing for inspection, monitoring and administering requirements for use of private wastewater disposal systems: and

WHEREAS, on April 3, 2007, a report under Chapter 22A of the Santa Barbara County Code was filed with the Clerk of the Board listing cost of said services to the County, and setting the amount to be charged to each parcel of real property in County Service Area No. 12 for such services; and

WHEREAS, performance of said services directly benefits residents in County Service Area No. 12, at costs direct and indirect, to the County of Santa Barbara for which the County should be reimbursed; and

WHEREAS, a Public Hearing on the said report relating to proposed assessments within the County Service Area No. 12 was set for May 1, 2007, in the Supervisors Hearing Room, Fourth Floor, County Administration Building, Santa Barbara, California, and notice thereof published pursuant to Government Code Section 6066.

NOW, THEREFORE, IT IS RESOLVED AS FOLLOWS:

1. The charges for inspection, monitoring and administration of requirements for users of private wastewater disposal systems in County Service Area No. 12 for the 2007/2008 fiscal year shall be TWENTY FOUR DOLLARS (\$24.00) annually (\$2.00 per month) for each dwelling unit equivalent.

2. The charges for administration, review, investigation, notice and hearing regarding parcels for which owners have failed or refused to make connection in compliance with the rules, regulations and requirements applicable, shall be SEVEN HUNDRED SIXTY DOLLARS (\$760.00).
