WITH REFERENCE TO THE FOLLOWING:

- A. On July 19, 1982, by Ordinance 3312, the Board of Supervisors adopted the Coastal Zoning Ordinance, Article II of Chapter 35 of the Santa Barbara County Code.
- B. On March 4, 2020, Governor Newsom declared a State of Emergency related to conditions caused by COVID-19; and on March 11, 2020, the World Health Organization declared COVID-19 a global pandemic.
- C. On March 12, 2020, the Health Officer of the County of Santa Barbara determined that there is an imminent and proximate threat to public health from the introduction of COVID-19 in the County of Santa Barbara, and proclaimed a Local Health Emergency.
- D. On March 17, 2020, the Board of Supervisors ratified the Local Health Emergency proclamation.
- E. On March 19, 2020, Governor Newsom issued Executive Order N-33-20 directing all individuals living in the State of California to stay at home except as needed to facilitate authorized, necessary activities or to maintain the continuity of operations of critical infrastructure.
- F. On May 21, 2020 a new County of Santa Barbara Health Officer Order No. 2020-8.2 was issued allowing the County of Santa Barbara to begin to reopen businesses that qualify under Stage 2 (e.g., retail, dine-in restaurants). Additional businesses and community entities will be allowed to reopen in later phases.

- G. On June 16, 2020, the Board of Supervisors adopted the COVID-19 Temporary Development Standard Suspension Ordinance Amendments (Case Nos. 20ORD-00000-00005, 20ORD-00000-00006, and 20ORD-00000-00007) to implement regulations regarding the temporary suspension of compliance with certain requirements of approved permits, legal non-conforming uses, and a hardship time extension in order to protect public health and support a phased re-opening of Santa Barbara County in a manner that effectively limits the spread of COVID-19 to be operative until December 16, 2020 or when the proclaimed Santa Barbara County Local Emergency from the COVID-19 virus is terminated, whichever is earlier.
- H. On November 10, 2020, the Board of Supervisors adopted Ordinance Amendments (Case Nos. 20ORD-00000-00008, 20ORD-00000-00009, and 20ORD-00000-00010) to extend the expiration date for the Temporary Development Standard Suspension Ordinance to the earlier of when the Board of Supervisors declares the proclaimed Santa Barbara County Local Emergency from the COVID-19 virus terminated, or when the COVID-19 provisions are terminated by ordinance amendment.
- I. On January 25, 2021, the California Department of Public Health ended the State's Regional Stay At Home Order and the Limited Stay At Home Order. As of June 15, 2021, the Governor terminated the executive orders that put into place the Stay Home Order and the Blueprint for a Safer Economy.
- J. To encourage recovery of businesses, restaurants, retail, and other community entities that were required to close or curtail operations under the Governor's shelter in place Executive Order N-33-20 and/or restrict operations during the phased re-opening, the County has created the Small Business and Community Partnership Enhancement Program (SBCPEP). This program contemplates how to allow businesses to conduct operations within safe physical distancing parameters recommended by the Centers for Disease Control and Prevention as the local community begins a phased reopening.
- K. The County Planning Commission now finds that it is in the interest of the orderly development of the County and important to the preservation of the health, safety, and general welfare of the residents of the County to recommend that the Board of Supervisors adopt an ordinance (Case No. 21ORD-00000-00006) amending Division 11 (Permit Procedures) and Division 12 (Administration) of Article II of Chapter 35 of the Santa Barbara County Code, the Coastal Zoning Ordinance, to implement new regulations regarding the temporary suspension of compliance to further extend the regulations to June 30, 2023 or when the COVID-19 provisions are terminated earlier by ordinance amendment and to make other amendments to support economic recovery.

Said Ordinance is attached hereto as Exhibit 1 and is incorporated herein by reference.
- L. The proposed Article II ordinance amendment is consistent with the Coastal Act of 1976, the Santa Barbara County Coastal Land Use Plan, the Santa Barbara County Comprehensive Plan including the community and area plans, and the requirements of the California

planning, zoning, and development laws, as discussed in Section 7.0 of the staff report, dated July 28, 2021 and incorporated herein by reference.

- M. The proposed ordinance is in the interest of the general community welfare since it will continue to protect public health and provide other forms of relief to support economic recovery from the impacts of COVID-19 by extending the expiration date of the COVID-19 temporary ordinance amendments to June 30, 2023 or when the COVID-19 provisions are terminated earlier by ordinance amendment and to make other amendments to support economic recovery.
- N. The County Planning Commission has held a duly noticed public hearing in compliance with Government Code Section 65854 on the proposed ordinance at which hearing the proposed ordinance was explained and comments invited from the persons in attendance.
- O. Whereas Section 65855 of the Government Code requires inclusion of the reason for the recommendation, which is to amend the expiration date of the COVID-19 temporary ordinance amendments to June 30, 2023 or when the COVID-19 provisions are terminated earlier by ordinance amendment, which is hereby identified as consistent, as stated in Section 7.0 of the staff report, dated July 28, 2021, and incorporated herein by reference.

NOW, THEREFORE, IT IS HEREBY RESOLVED as follows:

1. The above recitations are true and correct.
2. In compliance with the provisions of Section 65855 of the Government Code, the County Planning Commission recommends that the Board of Supervisors of the County of Santa Barbara, State of California, following the required noticed public hearing, approve and adopt the above mentioned ordinance Case No. 21ORD-00000-00006, based on the findings included as Attachment D of the County Planning Commission Staff Report dated July 28, 2021, as revised to reflect the extension date of June 30, 2023.
3. The County Planning Commission also recommends that the Board of Supervisors consider further extending the expiration date to October 31, 2023.
4. The County Planning Commission endorses and transmits a certified copy of this resolution to the Board of Supervisors in compliance with Government Code Section 65855 and Section 2-25.2 of the County Code.
5. The Chair of this County Planning Commission is hereby authorized and directed to sign and certify all documents, and other materials in accordance with this resolution to show the above described action by the County Planning Commission.
