

Mission Canyon Sewer and Septic Services

County Service Area 12
Rate Schedule for 2008-2009

Boundary has a “septic maintenance area” (northern) and “sewer service area” (southern)

The lower canyon is more densely populated with smaller lots, while the upper canyon is less densely populated with larger lots

Sewer extensions may occur in the future

Septic Charges

- ◆ Fund septic system monitoring program
- ◆ Managed by Environmental Health Services of the Public Health Department
- ◆ No change proposed from \$24/yr charge or \$760/yr penalty for non-exempted parcels

Sewer Service Charge

- ◆ Funds services provided by the city of Santa Barbara (about 75% of whole charge)
- ◆ Managed by the Public Works Department
- ◆ Funds repair, maintenance, and reserve for county owned system
- ◆ Proposed increase from \$586/yr to \$602/yr (\$16/yr or \$1.33/mo)
- ◆ Increase primarily due to increases in city costs
