Student

If you are now, or have ever been employed by the County of Santa Barbara, please list the department in which you worked, your title, and the dates you were employed.

I have not been directly employed by the county of Santa Barbara, but I did work in the Santa Barbara County jail for nine months serving commissary to the inmates.

Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am interested in serving in this committee because I am committed to gaining experience that I can parlay into the workplace once I complete my schooling, and I have a real interest and love for discussion and problem-solving and I feel like a political position is a great place to hone those skills.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I am currently in school pursuing a bachelors degree in sociology, and then I want a masters degree in human resource management. At my college, I am part of the student, body government, and the human resources counsel.
