As a retired Lieutenant Colonel with the California Air National Guard with 26 years of service in the Air National Guard and 4 year in the Air Force, I am interested in ensuring that all veterans and their families are able to acquire the benefits that they have earned based on their serving their country. I also volunteered with the city of Santa Maria at the library serving as a liaison with the Veterans Connect @ The Library. Which provides assistance to veterans and their families in gaining access to benefits they earned while serving their country.

My experience serving in the Air National Guard and United States Air Force with 8 years in the enlisted ranks prior to my 22 years as a commissioned officer assists me with communicating with veterans from all spectrums in the military. As a former 2nd Vice Commander, chaplain, and now current member with the American Legion - Orcutt Post 534, I deal with veterans from all branches and time frames of service.
