SUBJECT: Interagency Agreement

Recommendation(s):

That the Board of Supervisors approve a new Interagency Agreement between the County of Santa Barbara and the Santa Barbara County IHSS Public Authority.

Executive Summary and Discussion:

State regulations require that the Public Authority have an Interagency Agreement. The agreement prescribes the relationships, rights, and responsibilities of the two entities. The initial Interagency Agreement was executed on September 3, 2002, and expired on June 30, 2003. A new Agreement is now being submitted for Board approval. The proposed new agreement has no term limit.

Due to the fact that the County is responsible for claiming State and Federal funds related to the work of the IHSS Public Authority, the Public Authority funds will be processed through the offices of the Auditor-Controller and the Treasurer-Tax Collector. Other services will be contracted between the Public Authority and County Counsel and the Clerk of the Board. All interested parties have reviewed this new agreement and recommend its approval.

Fiscal Impact:

There is no fiscal impact.
