Dear Ms. Reyes:

This letter is written to approve the June 2014 (Updated September 3, 2014) Welfare Client Data System (WCDS) Consortium CalWORKs Information Network (CalWIN) system Implementation Advance Planning Document Update (IAPDU) and the corresponding new contract for ongoing Maintenance and Operations (M&O) services.

The total approved amount for SFY 2014/15 is \$108,587,220. All federal approvals associated with this amount have been secured. This approval is contingent upon availability of state and federal funds. Additionally, the contract for ongoing WCDS M&O services in the amount of \$251,183,478 over a 54-month period from August 2015 through January 2020 has also been approved.

Each year, the WCDS Consortium shall submit an Annual IAPDU. The SAWS project will provide time frames for this submittal to the WCDS Project Director. In addition, the state may require "As Needed" IAPDUs consistent with federal law to address changes in the project as it progresses.

If you have any questions or concerns, please call Kristine Dudley at (916)263-0386 or John Heinlein at (916)263-0388.
