Santa Barbara County Treasurer's Investment Pool

Notes to the Statement of Assets

March 31, 2019

Note 1 – Summary of Significant Accounting Policies

The Financial Reporting Entity

The Treasurer's Investment Pool Statement of Assets includes the cash balances of substantially all funds, which are invested by the County Treasurer. The Santa Barbara County Treasurer's Investment Pool (The Pool) is managed by the Treasurer on behalf of the Pool participants which includes the County, local school districts, and certain special districts who are required by State statutes to participate in the pool. Other municipal agencies may voluntarily participate in the pool.

Cash

The cash balance on the Statement of Assets includes cash on deposit at the bank, deposits in-transit to the bank, and deposits in-transit from banks for payments related to third-party credit card and debit card transactions.

Investments

Pursuant to Section 53646 of the Government Code, the County Treasurer prepares an *Investment Policy Statement* annually and presents it to the Treasury Oversight Committee for review and the Board of Supervisors for approval.

The Investment Policy Statement provides the basis for the management of a prudent, conservative investment program. The objectives of the Pool are primarily to safeguard investment principal, secondarily to maintain sufficient liquidity to meet cash flow needs, and lastly to attain a return on the funds. All investments are made in accordance with the Government Code and, in general, the Treasurer's Investment Policy is more restrictive than state law. Types of securities in which the Treasurer may invest include U.S. Treasury and U.S. government agency securities; state and/or local agency bonds, notes, warrants or certificates of indebtedness; bankers' acceptances; commercial paper; corporate notes; negotiable certificates of deposit; repurchase agreements; reverse repurchase agreements; securities lending; bank deposits; money market mutual funds; the State of California Local Agency Investment Fund (LAIF); and investment pools managed by a Joint Powers Authority.

Financial Statement Presentation

The accompanying special-purpose statement of assets was prepared on the modified cash basis of accounting and for the purpose of presenting the assets of the Treasury pursuant to the California Government Code Section 26920 and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, Treasury management has elected to omit certain note disclosures required by Governmental Accounting Standards Board statements since such disclosures are not required by the California Government Code Section 26920.
