I am planning on speaking about Das Williams. For some reason this email did not go through earlier and I have just checked my emails.

Here is my statemen:

I would like to thank Das Williams for his many years of service. He has been a strong environmentalist and we are all better because of his service. As the former Chair of the Santa Barbara Democratic Party, I want to thank him for his willingness to help new candidates and newly elected officials with guidance. He has set a wonderful example by going out and walking and knocking on doors to speak to constituents about other candidates running for office.

Finally, I appreciate his bringing his daughters to work. He has shown, through the years, a strong love for community, county and family.

Thank you,

Gail Teton-Landis
