Recommended Actions:

That the Board of Supervisors appoint two new community members to serve on the Santa Barbara County Workforce Investment Board (WIB) as indicated on the application in Attachment A, and approve the term of two years as shown in Attachment B.

Summary Text: The Santa Barbara County Workforce Investment Board (WIB) is mandated by the Federal Workforce Investment Act (WIA), Public Law 105-220. The WIB Members are volunteers who serve without pay, and are nominated based on categories as described below; and are appointed by the County Board of Supervisors, functioning as the "Chief Local Elected Official" as prescribed by WIA. Members serve for specific terms and may be reappointed upon the recommendation of the WIB Nominating Committee.

Background:

The WIB develops workforce policy for the county, and oversees the operation of the two One-Stop Career Centers, and the employment & training programs for youth, recently laid-off workers, and

unemployed adults. In addition, the WIB fosters a working relationship with the business community to assist with current labor market information and other workforce intelligence such as industry sector initiatives and research. Finally, the WIB appoints a Youth Council that may include WIB members as well as others from the community. This Council advises the WIB on youth program issues, and recommends the selection of youth program training providers.

The WIA mandates: (a) specific groups/sectors that must be represented on the WIB; (b) the nominating methodology for membership; and, (c) the role of the CLEO in appointing members. WIB membership is reviewed annually by the State.

Specific Membership. The WIA stipulates "Mandated Partners" who must serve on the WIB. These Mandated Partners are local economic development representatives, the private sector (business community), local labor organizations, the State Employment Service (job service, unemployment insurance, Veterans services, and NAFTA trade programs), the County Welfare Department, the Local Education/Adult Ed & Literacy/Postsecondary Education community, the local Area on Aging Agency, the Community Service Block Grant recipient, the Department of Rehabilitation, the local HUD programs recipient, the local Native American program, and the local migrant services program provider. In addition, the WIA requires that the majority of the WIB be private sector members, and that the Chair be selected from the private sector members by the entire WIB. Finally, California State law requires that 15% of the WIB membership be Labor Representatives.

Membership Nominations. Members are nominated to serve on the WIB as prescribed by the Federal Act, either by virtue of the position they hold (e.g., CSBG recipient, EDD Manager, Welfare Director) or they are selected by the group they "represent" such as the Central Labor Council nominates Labor Representatives, the local Chambers of Commerce nominate business members, the Community College(s) select their representative. In addition, the WIB Nominating Committee, and Executive Director, is constantly recruiting new candidates to ensure that the local economy and community is well-represented. The WIB Executive Director meets with candidates prior to submitting their name to the Board of Supervisors, to ensure they understand the goal, mission, and responsibilities of the WIB. The WIB Nominating Committee endorses appointment of private sector members prior to submitting names to the Board of Supervisors.

Role of the CLEO. Because the Chief Local Elected Official, as designated by the State of California and prescribed by the WIA, has fiduciary responsibility for funds received, the WIA stipulates that WIB Members must be appointed by the CLEO. In Santa Barbara County the CLEO is the Board of Supervisors, and the Chair of the Board of Supervisors must sign (often co-signs) such documents as the Five Year Strategic Plan, that lays out the goals, objectives and program design of the local workforce system. The stated intent of the WIA is to foster a "public/private" partnership between the CLEO (government) and the private sector led WIB. Consequently, all nominees and re-nominees to the WIB must be appointed by the Board of Supervisors.

- *New Appointees.*

1. Ken Oplinger, President and CEO of the Santa Barbara Chamber of Commerce will provide considerable chamber related business experience as a new member to the Workforce Investment Board (WIB). The Santa Barbara Chamber of Commerce represents one of the largest business advocacy organizations in the region. The WIB and the Chamber already have an established working relationship in addressing the economic needs within the region. Mr. Oplinger's nomination will assist in future endeavors that benefit both the Santa Barbara Chamber of Commerce membership and overall community. Please see Attachment A for Mr. Oplinger's application.
2. Teresa Gallavan, Economic Development Director of the City of Lompoc represents an important area of north county Santa Barbara. The City of Lompoc has the highest unemployment rate and Ms. Gallavan's knowledge of the region regarding employment and training programs will provide the Workforce Investment Board with better awareness of the regional issues which need to be addressed. Ms. Gallavan's application is included in Attachment A.
