

*Resolution of Commendation for  
Security Analyst Randy Rigby  
upon his Retirement from Information Technology Department*

**WHEREAS**, Randy Rigby started his career with the County of Santa Barbara in 1986 as a EDP Programmer II with the General Services Department. Randy was promoted to a EDP Office Auto Spec II in 2002 and transitioned with other IT professionals to the new Information Technology Department in 2023.

**WHEREAS**, Randy made significant contributions, from his early days supporting the mainframe to his current role as a security analyst supporting the County's firewall ecosystem. He played a crucial role in the Y2K transition which ensured it was a non-event, thanks to meticulous preparations. He was instrumental in the deployment of the County's first firewall appliance, facilitating the County's first connection to the Internet. In more recent years, he aided in the deployment and management of endpoint security solutions and continued his work on the expanding county firewall infrastructure.

**WHEREAS**, Randy's job knowledge, skills and experience have contributed greatly to the overall professionalism and success of Information Technology at the County.

**WHEREAS**, Randy is commended for his faithful and devoted services to the County community. Randy's gentle, quiet and pleasant demeanor will be greatly missed by his many friends and associates throughout the County.

**NOW THEREFORE, BE IT RESOLVED** that this Board of Supervisors honors and commends Randy Rigby for over 38 years of exemplary service to the citizens of Santa Barbara County and the employees of the Information Technology Department.

**PASSED AND ADOPTED** by the Board of Supervisors of Santa Barbara County, State of California, on this 6<sup>th</sup> day of May, 2025 by unanimous vote of all members present.
