PROPOSED FOR COLLECTION ON THE TAX ROLLS)

WHEREAS, the Board of Supervisors of the County of Santa Barbara has heretofore established County Service Area No. 12 in the Mission Canyon area of the unincorporated territory of the County to operate and maintain the public community sewer systems in that portion of County Service Area No. 12 where hook-ups to a community public system were required on or before September 1, 1987, and further to administer requirements for installation and use of private wastewater disposal systems in those portions of County Service Area No. 12 where such private systems now or hereafter are permitted and required; and

WHEREAS, it appears to be in the best interest of the public and to the inhabitants of said county service area that the benefit assessments for approved services within said county service area be collected on the County Tax Roll; and

WHEREAS, it appears to be in the best interest of the public and to the inhabitants of said county service area that the benefit assessments for public sewer service and septic tank maintenance within said county service area be collected on the County Tax Roll pursuant to Ordinance No. 3574; and

WHEREAS, such services include providing for wastewater collection, treatment and disposal; connection of building sewers to the public community sewer system; and

WHEREAS, on May 3, 2011, a report under Chapter 22A of the Santa Barbara County Code was filed with the Clerk of the Board listing costs of said services and setting the amount to be charged to each parcel of real property in County Service Area No. 12 for such services; and

WHEREAS, performance of said services directly benefits residents in County Service Area No. 12, at costs direct and indirect, to the County of Santa Barbara for which the County should be reimbursed; and

WHEREAS, a Public Hearing on the said report relating to proposed assessments within the County Service Area No. 12 was set for June 7, 2011, in the Supervisors Hearing Room, Fourth Floor, County Administration Building, Santa Barbara, California, and notice thereof published pursuant to Government Code Section 6066.

NOW, THEREFORE, IT IS RESOLVED AS FOLLOWS:

1. The charges for sewer service, including maintenance operation in County Service Area No. 12, for the 2011-2012 fiscal year shall be SEVEN HUNDRED SEVENTEEN DOLLARS (\$717.00) annually (\$59.75 per month) for each residential dwelling unit and each dwelling equivalent (as the same are established pursuant to that certain "Joint Powers Agreement for Wastewater Collection, Treatment and Disposal in the Mission Canyon Area", between the County of Santa Barbara and the City of Santa Barbara).
