14. SIGNATURE OF APPLICANT

Application for Montecito Board of Architectural Review (MBAR)  
Clerk of the Board and/or Supervisor Carbajal's office  
105 E Anapamu St., Santa Barbara, CA

Applicant: David Mendro, Architect

12. Experience: Please explain why you are interested in serving and what experience you bring to the Commission or Committee for which you are applying:

I am a licensed Architect who has lived and practiced architecture in Santa Barbara County since 1986. My firm, Neumann Mendro Andrulaitis Architects, LLP is a partnership with myself, Andy Neumann and Mary Andrulaitis. Our practice entails a wide variety of architectural design work that includes residential, commercial, and public building projects. Our specialization is the design of custom homes.

I have longstanding experience (over 20 years) working with the MBAR and the other regional design review boards creating successful architectural design projects that are sensitive and responsive to our community context. I have the utmost respect for the contribution the MBAR makes to our regional planning and our built environment. I am sensitive to community goals and take great pride in our architectural heritage. I believe that my body of work and my professional reputation attest to my longstanding commitment to quality architectural design and our community.

I have a strong concern for our environment. I have taken the lead role with the sustainable design efforts within our office. To that end, I am a LEED AP (Leadership in Energy and Environmental Design Accredited Professional). I can help bring a green building design perspective to the MBAR with my sustainable design knowledge and experience.

For the past decade, I have been focused on my family (wife and four children) and building my architecture practice. My wife and I are now at a point in our lives where we are able to be more active in the community. My wife is an environmental engineer currently serving on the Air Pollution Control District Community Advisory Committee (CAC). I would like to become more involved and contribute to our community. My talents and experience match well with the goals of the MBAR. I have strong ties to the Montecito community. My wife and I were married at Our Lady of Mount Carmel and are long standing members of the congregation. We are also members of the Knowlwood Tennis Club.

I believe that my qualifications as a licensed architect with extensive experience working with the MBAR and my LEED accreditation match well with the MBAR requirements. I would be honored to serve with the board. Thank you for your consideration.

Note: Additional information regarding my work and experience is available at my web site: [www.nmaarchitects.com](http://www.nmaarchitects.com)
