Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I have lived in Los Alamos for twenty years, which is all my life. I started my interest with local politics back in 2014 with the Friends of the Los Alamos Library during their initial fundraising to remodel the original 1966 library in town. I worked closely with locals Vicky Gill and business owner Stephan Bedford when we volunteered to fix up the original building. During this time we worked on the Los Alamos Dog Races, and I attended a Santa Maria City Council meeting in 2015 where I gave a pro-library speech to the board and mayor Alice Patino. Lastly, the Santa Ynez Valley Scholarship Foundation awarded their 2015 Youth and Service Award to me for my work with the library. With how long I have lived in Los Alamos, I know almost every business owner. I work at Bob's Well Bread Bakery as a Baker's Aid right on Bell Street, which is one of the most respected businesses in town. Attending Allen Hancock College since 2016, I am aiming for a Political Science major, having already taken American Government 101 and International Relations 104. I will be taking Comparative Politics 105 in the fall. I volunteered for the local division Bernie Sanders campaign during the election. I enjoy grassroots politics, and fervently believe in keeping with the small town element of Los Alamos that I have grown up knowing.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I have completed 40 hours community service required to graduate Olga Reed Elementary School in Los Alamos. Performed volunteer work for Dog Races, attended multiple meetings as member of Friends of the Los Alamos Library at Stephan Bedford Winery during summer and fall 2015. Before completion of library project in fall of 2015, I engaged in several hours of volunteer work during renovation. I am a High School Graduate of Orcutt Academy. Political Science major at Allen Hancock Santa Maria campus. Classes taken since 2015: American Government 101, and International Relations 104.
