Subject: Resignation from SB Fish & Game Commission

Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.

Hello Teresa and fellow Board members,

Due to certain changes with my career and residency I will no longer be eligible to serve on the County F&G Commission. Although my time on the Commission was shorter than I had hoped for, I greatly appreciate the Board of Supervisors, my fellow Commissioners, & county staff's assistance in my onboarding and time on the Board. This body does some amazing work and I am confident that they will continue to develop and improve Santa Barbara's wildlife population moving forward without me.

Best of luck in your future endeavors and thank you oncemore,
Chad Thomas
